THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Hello Robin Hood Campers!

It's hard to believe that the end of September is already here. It has been over seven weeks since we said goodbye to you at the gas pump as the buses pulled away to take you home. Last summer brings back many great memories for us! There was non-stop energy from the dining hall to the fields. We enjoyed swim parties at both waterfronts, daily mountain trips, competitions with other camps and of course some amazing nights in the theater. Founder's Day and the 90th reunion in addition to one the closest Green and White competitions in recent memory rounded out our summer perfectly.

As we head into the fall, please work hard in school and remember that in the blink of an eye it will be June and we will find ourselves back in the realm to do it all once again! The yearbooks are almost ready for the printer and the NYC reunion is set. It is time to brush up on your bowling skills - we will see you all at Lucky Strike in Manhattan on December 2nd. We will be passing out the yearbooks there and looking back on what a stellar summer it was...

Thank your parents once again for sending you to CRH and stay in touch with us!

Best,
DC & Woody

2017 Remember When's

Beach Day

We could not have asked for better weather and we splashed and played all day

RH Gives Back

We were honored to have K9's for Warriors in The Realm

July 4th

We started the day with our own parade around the quad and we had a blast in the bounce houses, rocked out at the beach party, and had so much fun dunking our counselors in the dunk tank

Green and White

Confetti, fireworks, helicopters, the Big Chair, and Judges! We were ready for 5 days of competition and it showed every day

Excursions!

From Storyland and Monkey Trunks to Cranmore Mountain and Funtown Splashtown, we took New England by storm

Campfires

Every Sunday we gather together to sing songs and hear camp history by the fire. These are some of our favorite nights

Evening Activities

Camper hunt, infection, cookie decorating, and pajama tubing. We don't waste a minute at camp.

Dining Hall Dance Parties

It is no secret that we like to dance at CRH, and it shows

Where Are They Now?

Hi everyone! I just started my freshman year at Babson College in Wellesley, Massachusetts. I'm studying business and entrepreneurship and am currently working on a start-up company for one of my classes. I love being so close to Boston and so many camp people in the area. I've also been making sure that my new college friends know all of the words to the Green and White songs, too! I'm so excited to get back to the realm for summer 2018 and will see you all soon!

One of my favorite summer memories was the Arrow canoe trip to the chalet, but especially when we paddled back to camp during an amazing Lake Ossipee sunset.

Hey everyone! I have been going to camp for 10 summers and I hope to have 10 more! This past summer, I was a counselor for over 20 crazy 10-year-olds, AKA, the Squires! I am from Cleveland, Ohio and currently a freshman at the University of Pittsburgh.

I am studying business, along with working to become fluent in Spanish as a second language. Even though I am loving my first semester of college, I miss camp more and more every day. Some of the best parts of my day at Pittsburgh come from texting and snap chatting my camp friends all day long. I am so excited to come back to camp this upcoming summer! I miss everything from the daily dance parties in the dining hall, to going down to the waterfront to watch the sunset. I am so excited to come back to camp this summer and make more amazing memories that I will remember for the rest of my life!

My favorite memory from this summer was the first day of camp when I met the kids that would become part of my new family for seven unforgettable weeks.
