THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Hello Robin Hood Campers!

I hope this letter finds all of you happy and busy now that fall is officially upon us. It's hard to believe that only 8 weeks ago the busses pulled out from the gas pump and our camp season came to an end. The summer of 2018 was perfect in so many ways...great weather, awesome beach day, classic July 4th carnival and beach party, best dance show ever for PVD, and what I hope you agree was a terrific G/W break!

The administration and I have been very busy planning for next summer. We are talking to a few people about joining our administration for the summer of 2019—more details to come. We are committed to finding and implementing new activities and other little changes to improve our already great camp.

The new garage is well on its way to completion in the parking lot which will allow us to reinvent the current red garage area. We have really exciting plans which we will share as the construction continues. Michelle and Scott are very busy hiring new staff as well as managing our returning staff from last summer. As I write this—Chuck just moved back home after post camp and Lizz has finished the yearbook.

I personally cannot wait for opening day 2019. As I travel the country talking about camp the same theme emerges...Robin Hood is filled with great, warm, and most importantly, kind people. I am so proud of the culture that has been fostered over 91 summers and I promise to do my best to make sure that continues on my watch.

I look forward to seeing a lot of you in NYC for the reunion and I hope you enjoy the yearbook and smile as the memories start flowing off the pages.

Best,
Woody
