THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Camp Robin Hood Families,

As the world changes so rapidly every day, the one thing that holds true is all of the Robin Hood connections.

I get calls and join Zoom meetings that all start and end the same way: The screen is filled with smiling faces of those who are so lucky to have such great friends. We listen and laugh, and all say how much another summer at the Realm would mean. We all share a yearning for our shared summer home.

For 92 summers, kids have traveled near and far to the white sandy beaches of Lake Ossipee. Not the Great Depression, World War II or even a fire that leveled the entire camp have kept us away. It is my hope that this summer will continue that streak and allow us all in these very difficult times to remember who we were and harken back to our cherished childhood memories at the Realm.

End each night as we do at camp and in these calls – singing the good night song, closing your eyes and imagining the smell of the pine trees.

Please stay safe and keep in touch,

Woody
