THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

## Hello Robin Hood Campers!

As the leaves start to turn amazing colors in late September, I hope that thinking about our incredible summer of 2022 will be a nice break from your school work. Hard to believe it's been 6 weeks since the buses pulled out after our 95th summer concluded at the Realm. I miss all of the energy and everything else that we share at camp. It is the campers and staff who make CRH so great in every way. Our Robin Hood family will be together very soon for our 96th consecutive summer.

I am looking forward to seeing you at our NYC reunion on October 29th to reminisce, laugh, catch up, and hand out the yearbooks...

Love Always, *Woody*

I just got back to UW-Madison for my sophomore year and I am so excited to get back into my school routine. This being said, I miss camp so much! My favorite memory of summer 2022 was when I took the scouts to the rink and we stargazed, had some treats, and shared our favorite memories from the summer. It was such a special night that I'll never forget.

"Hi everyone! I just got back to school to start my sophomore year at the University of Wisconsin - Madison and I'm studying journalism and strategic communication. It's so nice here while it is warm and I've been spending a lot of my time down at the lake wishing it was lake Ossipee! My favorite memory from this summer was when the Bards did cookie decorating as an EA and afterwards we all jumped in the lake. I saw some of the most creative cookies ever and I'm missing all my Bards so much. Counting down the days until summer '23!!"

Hi everyone! I am currently in my junior year at Cornell, continuing my studies in Psychology and Spanish and preparing to study abroad in Spain next spring. Outside of classes I'm working on a podcast and am enjoying cooking now that I have a kitchen to use. I'm happy to be back at school, but miss camp, especially the nightly group meetings with the Foresters of 23, campfires, and sunsets.

Hi, everyone! I'm back at Williams College for my sophomore year. Before classes started, I got to lead a backpacking trip for incoming freshmen. The experience reminded me of one of my favorite memories from the summer: climbing Rattlesnake with the TPJs and Saxons. I hope to go on more exciting outings with my group in 2023!
