THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Camp Robin Hood Families,

100 Days! I simply cannot believe we are approximately 100 days away from opening day. This off season has been incredibly busy at the Realm. Like all of you, I cannot wait to get back to camp and experience another summer together. I am extremely excited for everyone to see the changes and updates we have made to our facility. The administration is traveling to Atlantic City next week to attend the biggest camp convention in the world. This is the first in person meeting of the year for us and really proves that the summer is right around the corner. We will start talking about GL placements, oldest group excursions, beach days, and hopefully get a Green and White break plan in place.

I am busy traveling the country talking to new families and visiting existing ones every week. I have spent a ton of time at camp this winter. The Realm covered with snow is another surreal picture I can now carry in my memory to get me through the off season. We will be back at our shared summer home sooner than we think. Thank your parents for the incredible opportunity to experience the Magic at the Realm.....

OPENING DAY

We welcomed our best friends back into the greatest place on Earth!

INTERCAMPS

For the first time in two years, Robin Hood was able to participate in intercamp activities, and most importantly, our two oldest groups attended one of our favorite traditions at Robin Hood: The West End Game!

SO YOU THINK YOU CAN DANCE

One of our most cherished traditions, So You Think You Can Dance, is always one of the best nights of the summer! The campers are able to show the Realm their dance moves and they never cease to impress!

PARENTS VISITING DAY

We also welcomed our parents back into the Realm safely for the first time in two years! Parents visiting day was an absolute blast, and we were so happy to show the parents around our home!

GREEN & WHITE BREAK!

We also had one of the best Green and White breaks of all time, and welcomed our previous Color War captains back into the Realm as Green and White Judges. The war was close, but the Green team had more points in the end, and the Titans were victorious.

Camp Robin Hood

We are very excited to announce that Robin Hood will be **the first camp in America to be 90% carbon-free** this summer! In addition to our solar panels on the dining hall, we have purchased several recycling and compacting machines. All of the food waste will be made into compost and given to a local farm. Paper goods will be recycled in-house and made into 750-pound bales. Our new compactor will break everything down making it easily transportable. Our total environmental savings will be equal to 207,000 gallons of gas, or 82 tons of CO₂ gas. This means that we will go from 5-7 garbage pickups per week to 6-8 for the entire summer. These extremely beneficial changes for our climate will bring many changes to the way we operate on a daily basis at camp. Although it will require some adjusting, we believe that our campers and staff are up to the job, and we will all benefit from our shared goal of making our world a cleaner, healthier, and safer place.

MORE improvements around camp

We have been using the off-season to enhance many of our cabins and facilities. The old arts and crafts shack has been converted into **a brand new bunk for junior camp boys**. We have added **an improved Arts and Crafts, Woodshop, and Ceramics facility** for our campers to explore their creativity.

Additionally, **we have re-done the basketball court on the waterfront, and added a sand volleyball court** next to it. This is the most scenic place on camp, so we are so excited for our campers to get the chance to play sports in such a beautiful setting.

We are also looking forward to having **a brand new ski boat** on the waterfront, along with **updated sailing, canoe, and kayaking equipment**. Our campers will have plenty of opportunities to enjoy swimming in and boating on the beautiful Lake Ossipee.

2023 STAFF SPOTLIGHTS

WELCOME TO THE YEAR-ROUND TEAM... TY RODIN

We are excited to announce that Ty Rodin, previously a group leader in the realm, has been hired as a full time employee starting in May. This summer, he will be the program director as well as an extra, younger, set of eyes to ensure the happiness of our campers. In recent years, we have been trying to get younger role models in the administration and we are thrilled to have him join our team!

WELCOMING FRIENDS FROM AROUND THE WORLD

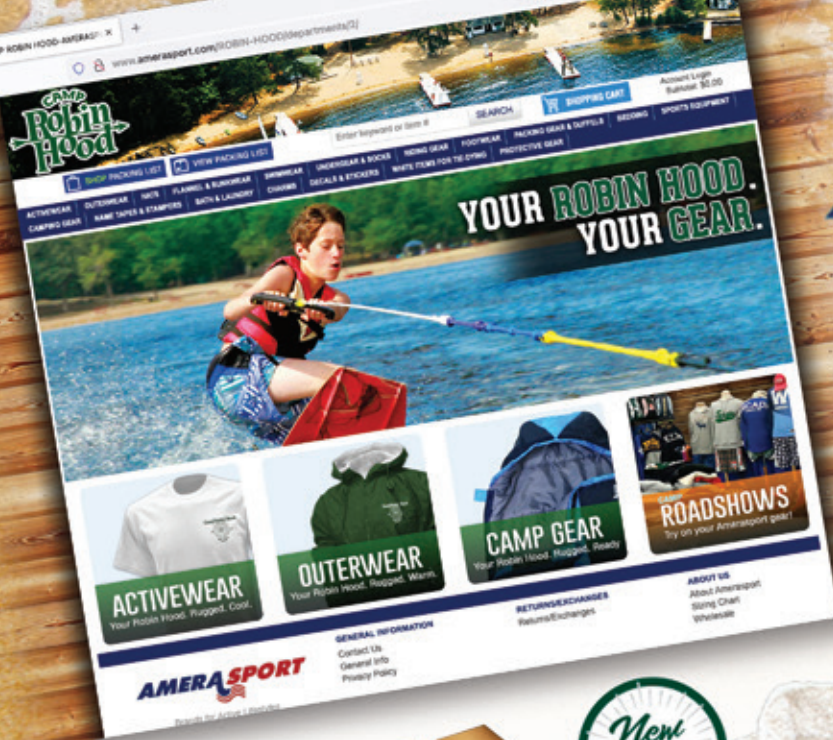

"HELLO FROM THE OTHER SIDE" My name is ELIASU!

Hi Everyone! My name is Eliasu Jalloh. I am a final year Honors Broadcasting and Journalism student at Limkokwing University of Creative Technology in Botswana. I am originally from Sierra Leone and actually grew up with Handolo. I am eagerly looking forward to this new adventure at Camp Robin Hood. As a highly motivated and accomplished individual, I'm excited about the opportunity to develop my leadership and interpersonal skills while making a positive impact on the lives of my campers. I'm thrilled to be part of such a vibrant and dynamic community and I look forward to creating lasting memories with my fellow counselors and campers. I can't wait to get to the USA and meet all my new friends at Camp Robin Hood!

MY FRIENDS CALL ME DOLO...

I am originally from Sierra Leone but I'm currently studying and living in Swaziland present day Eswatini. I am the eldest of three kids. I strive to be an inspiration to my siblings and love being around children. Life has been a bitter but a sweet experience growing up. I love to see those around me smile, and am a cheerful person and the leader of the park.

See you guys soon. I am so excited to have this opportunity... Thank you, Camp Robin Hood!
