# SONGS OF ROBIN HOOD

### 1. CAMP ALMA MATER

Far from the city's rushing streams,  
 Far from strife and care,  
 Lies the haven of our dreams,  
 ROBIN HOOD so fair.  
 ROBIN HOOD, here she lies  
 Under skies so blue.  
 We will ever sing thy praise;  
 To thee we'll ere be true.  
 Friends, friends, friends  
 We will always be.  
 Whether in fair or in bad stormy weather,  
 We'll stand, or we'll fall together.  
 For ROBIN HOOD there will always be  
 A band celebrating, 'til death separating,  
 For ROBIN HOOD.

### 2. A BAND OF BROTHERS

A band of brothers we march along  
 With hearts so firm and true,  
 Two by two, with hearts so firm and tried,  
 In honor of the gallant band  
 Who trod the famed Greenwood,  
 Shouting CAMP ROBIN HOOD;  
 So merrily sing we all to ROBIN HOOD,  
 The father of Jollity,  
 Whose children are gay and free;  
 So merrily sing we all to ROBIN HOOD  
 And his Merry-men.  
 (Repeat verse - whistle first five lines)

### 3. GOOD NIGHT

Good night, good night;  
 I'll see you in the morning.  
 Good night, good night;  
 I'll see you in the dawning.  
 Sunshine will change the night to day.  
 Shadows will softly creep away.  
 It's not goodbye, just time to say goodnight.

### 4. ONE HUNDRED MEN OF ROBIN HOOD

March on brave ROBIN HOOD,  
 On to the fray.  
 Three cheers for Greenwood's men;  
 And we'll bring a vict'ry back today.  
 Hurrah! Hurrah! Hurrah!  
 One hundred men of ROBIN HOOD  
 Want victory today.  
 For they know that o'er all rivals  
 Fair ROBIN HOOD holds sway.  
 So then we'll conquer our foes again,  
 And when the game ends we'll sing again:  
 "One hundred men of ROBIN HOOD  
 Gained victory today."

### 5. WITH ROBIN HOOD IN TRIUMPH FLASHING

With ROBIN HOOD in triumph flashing  
 'Mid the strains of victory,  
 All rival's hopes were dashing  
 Into black obscurity.  
 Resistless our team sweeps goalward  
 With the fury of the blast.  
 We'll fight for the name of ROBIN HOOD  
 'Til the rival's line is past.  
 ROBIN HOOD! ROBIN HOOD!  
 ROBIN HOOD! ROBIN HOOD!  
 ROBIN HOOD! ROBIN HOOD!  
 ROBIN HOOD! ROBIN HOOD! ROBIN  
 HOOD! (Repeat verse)

### 6. EVENING SHADES

Here as the evening shades are falling,  
 And gone is every care of day,  
 We gather and the campfire echoes  
 With laugh and song of Greenwood play.  
 Thy sons well guarded from all sorrow,  
 Linked firm in bonds of bright green hue,  
 Forget the cares that come tomorrow,  
 And praise our camp today.

### 7. WELCOME SONG

Come 'round any old time,  
 And make yourself at home.  
 Put your feet on the mantle shelf;  
 Open the cupboard and help yourself.  
 We don't care if your friends  
 Have left you all alone.  
 Rich or poor, just knock at the door,  
 And make yourself at home.

### 8. STAUNCH MEN OF ROBIN HOOD

Staunch men of ROBIN HOOD,  
 We sing to thee.  
 Far ring the story of our camp eternally.  
 From east and west the  
 crashing echo's answering call:  
 "ROBIN HOOD victorious,  
 The champions of all."  
 Cheer, cheer, here we are again.  
 Just hear it echo back.  
 Cheer, cheer, here we are again  
 To fight for the Green and White.  
 Fight! Fight! Fight!  
 ROBIN HOOD, our challenges we send.  
 ROBIN HOOD, victorious to the end.  
 Just hear the echo of our song.  
 O, here we are, O, here we are again.

### 9. SUN OF VICTORY

The sun of victory is dawning,  
 Mark the orange of the sky.  
 Better heed the mighty signs of warning,  
 ROBIN HOOD aims high.  
 Watch the spirit of ROBIN HOOD  
 Striving ever towards the goal.  
 Give us a yell! Ho!  
 Down the field we go  
 While ROBIN HOOD's deep thunders roll.

As June 27 approached, the Realm was preparing for the coming invasion. The Russians? The Martians? The Body Snatchers? No Way! Rumor had it that the Devastating Dozen were on their way; and by nightfall on Day 1 the Pager-Jugglers of 1986 had made their mark. As the summer wore on the rest of camp began to realize that the "cabin at the end" had to be treated with the utmost respect.

Hey, PJ's, did we have a GOOD TIME? You bet we did!! Let's have a look back at just a few of the good times and the special memories that made the summer of '86.

Remember...Dick's late arrival...Dave was GL for 2 days...thanks for covering, Dave...when's it gonna stop raining...staff--remember our first impressions of the kids? A bit different now, aren't they?!...Remember when the group hustled to an activity, I don't!...Robby, you look so interested!...Fahed, the veteran camper, leading the group those first few days; more like the blind leading blind!...the Bingo games...You make me sick, Dick!...winning Lipsky's aunt's home-made lollypops. Doug was so happy to donate them, wasn't he!

Remember when Butch Mathias was loose...shouldn't the counselor on duty have a gun or something...is he really in the woods somewhere?...will it hurt if he kills us all?,,,The ball wrestling, Fahed on Brewer, Robby on Albert...Evan, your shirt is back to front -- so what!

Remember our trip to Green Mountain...the whining: how far to go? -- I am tired -- will you carry me? -- I am hungry -- I am thirsty. Eventually we made it, and everyone suddenly realized that it was FUN. Remember climbing the Fire Tower and looking down at camp...Eric Jelin falling through the trap door and giving Dick heart failure...come on up, Jason -- no thank you (always says thank you) -- are you scared of heights? YES!...poking out each other's eyes with sticks on the way down...What was that fenced off concrete hut with no windows -- PJ opinion: a secret military defense station.

Remember White Lake...swimming to the platform...the non-existent count-offs ...Dick and Jenny trying to sunbathe in peace...everyone on the slide at once.

Remember our awesome count-offs at the waterfront...can we have a general swim? ...although we didn't take to instruction too much, we made great progress, didn't we...well done, Sami, on Most Improved award!...jumping off the tower...Jason never quite managed it - Jon never failed; what about those dives...The "PJ charge" at general swims...The great sandcastles on the beach...Wiffleball - the fights for pitcher or first up.

Remember all the great activities - Archery with Brad...you guys did some great shooting - A & C with Hugo ... nice job on the projects - riflery with Steve...who gets to go this time - tennis with Arnot and Margaret...there were some budding McEnroes coming out there - in more ways than one! - snorkeling with Graeme...diving and jumping off the diving board...using the tanks on the last day - waterskiing with Woody...Jon and Evan were there almost every time - so was Dave! Eric, I am sure you'll get up next year!...canoeing with Kevin...trips to the old riflery range and to the island...sailing with Peter...nice job, Albert, on Most Improved ... soccer with John...circle ball...shooting on Dick...Brewer domination. Riding with Dave, Martin, Mike and Helen...trail rides...who joined the Tumbler's Club. And of course, there were our own activities: remember our Newcomb games...Brewer's moon-serve...kickball - Dick's bad call at home plate that stopped Dave's team's shut-out...softball...Woody's clinic...diving into 2nd base...frisbee golf - the counselors loved this! hockey - the scraped knees and hockey sticks in the face.

Remember Eric Jelin's birthday - trip to the movies to see "Back to School", and then to McDonald's for dinner...when Dick's Mom came to visit...learning about New Hampshire granite...looking for miccas at the waterfront...our trip to Rocky Gorge...sliding down waterfalls...the bruised butts...then Dick's Mom treated us to ice cream afterwards - wasn't that nice!

Remember the camp trip to Ogunquit Beach, what a fun day that was...digging holes and building sandcastles...swimming and body surfing in the COLD ocean...sandburgers...buying candy at the store...remember when Fahed checked in on time--we don't!...Then it was off to the ball park for a double header - Rochester vs Maine Guides...then a good sleep on the bus and back to camp.

Remember Parents' Weekend...when's Michael Brewer's Mom coming...all the toys and games...showing off what we'd learned at activities...is Michael's Mom coming...Fahed's new parents...Michael's Mom and Shalter finally arrive...remember when Evan left -- and then came back! Thank you, Evan, that was a very special day for me.

Remember waiting for Green and White to break...then finally it came...Lipsky and Kauffman, captains - Brewer and Tuchman, co-captains...Green domination of athletics, or rather Brewer domination!...The Most Honorable Dick...Cracker Eating...Spelling Bee...Eric J's whiskers wouldn't stick during Skit Night...the rain...Tug-o-War...Giant Relay...White sweep at Song Night...and finally joy for the Green, disappointment for the White...but a fun five days for everyone...By the way, thanks for being quiet in the mornings!

Remember what a great time we had on our excursion...riding the ski-mobile to the top of Mt. Cranmore...Evan spending ALL his money there...the medallions, all AQUARIUS!...some of us walked back down - ooh! that was hard on the knees...playing with the water fountain in the parking lot...did John McEnroe really play here?...swimming at Saco River...the skeletons under the bridge...Eric Jelin was first in...Dave's awesome jump from the bridge...Dick and Jenny nearly died laughing...throwing the weird football in and Fahed retrieving it...trying to fish by the rocks...going up to Cathedral Ledge...the view...look at that puddle down there! (Echo Lake)...Dolly Copp Campground...remember Dick's finger getting bitten by the fire grill...Jon K lost his shoe in the swamp...looking for fire wood... Dave really knows how to cook!...what about that traffic jam going to the movies...we missed the early show...the parrot in the pet store stole the van keys...the arcade, Fahed on Skee-ball, Michael B. on Air Hockey...Karate Kid II..."don't know, never been attacked by tree"... "Live or Die?" "Die!" "Wrong - Beep!"...sleeping under the stars...boy, was that a cold night!...Fantasy Farm...that awesome water slide...Dick caught some air on that speed slide...the wave pool...the Ferris wheel...the monkeys. Then it was McDonald's for dinner...Evan ordering food that wasn't paid for...What an excursion, guys, you were great.

Remember PJ Superstars...everyone tried hard, but in the end it was Jason the champion with Michael B. in second place. Remember one of the classic sayings of the summer: Albert just before Superstars Spelling "Do we have to spell the words right?"

Remember...Fahed and Robby running the bases...Fahed after the soccer ball down the hill...RAIN...Weiny Rolls...skinny dipping...Sami - We lose! We lose!...remember when Evan was clean ...Eric's shirt eating...wakey! wakey Michael B...Albert - "Come on!!!"...l3 TA...Fahed's unicorn...homeplate dives in the mud...Is Craig a Forester?!...Michael B's love letters to Cathy...remember the socials, WE DON'T!...staying still at Flag Raising, I don't!...these well mannered meals, I don't!...Jenny and Dave reading stories.

Remember our last reunion at the outdoor theater...the memories...the s'mores...the Black Fire Worms...The Jobby Weecher...Lucky Uncle Freddie. Remember Fahed "5-fingers" Al Mutawa, Michael "the athlete" Brewer, Albert "nice-mouth" Cohen, Craig "the Director" Hamburg, Eric "Space-nerd" Jelin, Jon "Ski-dog" Kauffman, Doug "Lips" Lipsky, Evan "Tidy" Spielman, Sami "Quick-Fire" Sultan, Robby "Precision" Talford, Jason "The Master" Tuchman, Michael "Handy-man" Weinberg.

The Realm is now a quiet and lonesome place, where nothing but memories remain. But these memories will help us through the winter months and before we know it, Camp Robin Hood will welcome us back a year older and maybe even a year wiser. You guys gave me one fantastic summer and I hope Jenny, Dave and I did the same for you.

Jenny, you were terrific - have a great year's teaching. Dave, thanks for "initiating" the group and covering my time off - you did a great job. A million thanks to both of you.

And so that was the PJ's of '86. Work hard in school, you guys, and I will maybe see some of you over the winter, and of course, as Jugglers and Squires in 1987. I miss you all.

The buses and the family cars rolled into the Realm and before we knew it the summer of '86 was underway. What a sight it was watching campers and staff on their way from the buses to Junior Camp. Many of the bags were larger than their Squire owners, and come to think of it, some were even larger than the staff members. Before we knew it we were on the benches learning the count off numbers. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, TA...GOOD LOOKING! The amazing Squire group of 1986 was thus formed. Would the Realm of Robin Hood ever be the same again?

Remember our first group meeting...when Brian introduced himself as Sonny Crocket from Miami, Florida...When practically everyone said that their favorite food was pizza...When we decided to call Todd Bemis "Toad" since we had three Todds in the London Tower bunk...When Jon Headley shared his first sips of Killer Kool Aid...When Blake showed everyone the picture of his adorable little sister, and told us about the infamous Emily...When Willie said, "Wake up, Squires, it's a beautiful day in New Hampshire," for the first time (the preceeding must be said with the proper accent)...and who can forget Josh's first question?

Remember the Winaukee playdays...when Scott drove the bus for the first time, AAAAHHHH!...Remember the soccer games when Todd Dery amazed everyone on the field, including the Winaukee staff...When John Leebow scored his first goal and was finally happy...When Andy Isaacson made nearly all the assists...When Jon Headley's amazing skills were recognized by the coach...Remember the hustling halfbacks, Xander, Louie, Marc and Mike Feiner...Remember Jimmy, Toure and Brewer, the doomsday defense...and then there was the ever dangerous Mike Shuster...Kamikazee Man...Remember the surprise hitters in the softball game...Blake, Matt, Aaron, Sam and Todd Friedman...everyone gets on base, good job, guys!...Remember Josh's targets at riflery. Remember Matt's gestures in right field...our 4-2 victory over all, on their turf...Yea!

Remember the nicknames...Opie, Issy, Swerdles, Iceman, Steady Eddie, T.D., Feet, Daniel San, Goich, Guttbut, Spiderman, Toad, Lipps, Sol, MLP and Marichon.

Remember the staff ... Scott's haircut ... Lipp's Beard ... Toad's bone...Heavy metal Vetos...Starsky and Hutch action with Willie...Scott always talking to Cathy... Martin at the sand pit...Sol at the old rifle range ... Late night at Dolly Cop...Staff Meetings in the wrestling room.

Remember when the Squires weren't scared -- when was that!...Remember the Red Dot Killer...Butch Mathias... Wheelchair Mary...Hatchet Harry...The Finger... Willie's Mast...Hatchet Marks...Strangers under Cohen's bed...Strangers under Opie's bed...The hole by Guttman's bed...Fahey saying, "Chuck, if you don't stop scaring me, I'll tell everyone that I don't like tin foil dinners"...Remember Guttman at Dolly Copp ...Headley and Dery at the Outpost...and finally, the mist tape.

Remember when we climbed Mt. Chocorua...taking pictures at the base..."when are we going to get to the top" after only 10 minutes...running out of water...taking short cuts...waiting for Pat to catch up...eating candy bars on the last leg...remember how hard the wind blew on top...remember Opie, Blake, Todd F., and Jamie holding on for dear life so they wouldn't be blown off...remember the super seven who braved the wind and made it to the summit...remember all of the waterfalls on the way down...What a day -- ending with Lower Falls and, of course, MacDonald's.

Remember ..Guttman, the human question mark...Cathy, the human headache...Wrestlemania...Cohen vs. Cohen...SQUEEZE...Guttman at the gas pump at 1:00 AM...Leebow at the showers at 12:30 AM...Blake cut his chin at Rocky Gorge...Toure as Stevie Wonder...Hershel Walker signed with the Dallas Cowboys...the petition for the social we never had...late night pizza...we played strip ping pong...Headley's golf clubs...Guttman's Playboy...the apple fight...Miami Maul Ball...Leebow didn't get points off for inspection...Cohen woke up in Toad's bed...Toad woke up on the ping pong table...Sol's bed was dumped by rebellious Squires...Aaron wasn't with Cathy...the Squires raising the flag every day...Maid Marion's nine 100's in a row...Willie that ain't right!!! Shortly after our excursion the summer of 1986 came to a close. Throughout the summer the Squires worked together as a team, becoming closer every day. Friendships were made by campers and staff alike; friendships that will be remembered for years to come. Robin Hood survived the rule of the Squires of 1986 and if we can survive a plague, we can survive anything. I would like to thank my staff for all their hard work and support. I would also like to especially thank Chuck Illig, Chuck Downie and Greg Lippard who were a tremendous help to me. Most of all, however, I would like to give a big hand to all of my campers. You're all terrific! Until next summer, take care and have fun. To the Squires of 1986, without a doubt a GOOD LOOKING group.

I hope to see all of you guys next year as Foresters. Remember, keep in touch with each other because summer relationships are great. I am going to miss you all a lot -- this was by far one of my best summers, and definitely one I will never forget.

On August 21, we left Camp Robin Hood with experiences that will hold a special place in each of our hearts. Boys, thanks for the best summer I ever had at the Realm. It was a great way to end my years at camp, but a better way to start your long reign over Camp Robin Hood. Some day you'll be group leaders and color war captains, but never forget the bunkit boys of 1986, the leaders of the Realm. Have a great year at school and we'll see you as the Saxons of '87. I love you all.

Our 1986 yearbook article would not be complete without a special tribute to a very courageous young man whom we were privileged to have in our group. Ian Miller, we will miss you.

# ARCHERY

BRAD ST. GERMAIN

We had a very successful summer at the archery range in '86. The Squires and PJs had a very good showing this year. Craig Hamburg, Mike Brewer, Albert Cohen and Jason Tuchman all cruised up to 20 yards for the PJs. For the Squires, Todd Dery, Andy Isaacson, John Leebow and Sam Goichman became the "range rats," making them the best and most successful group in camp. The Archers also produced a couple of shooters in Danny Kay and Corky Stern. The Yeomen had three of the best shooters in Josh Ralby, Matt Winitzer and Craig Swerdloff. The Lancers were not far behind with the "Scott connection" of Elisofon and Berendt, with Jamie Judelsohn being the Lancer "range rat." The cream of the crop, though, came from the Friars and Foresters in Eric Boyriven and Naif Al Mutawa.

The Archery team also proved worthy to the task, overcoming injuries, absentees and age to show others just why we're named Robin Hood. Josh Ralby led the 12 and under team with consistent bulls, closely followed by Matt Winitzer and Craig Swerdloff, who cleaned up. Eric Boyriven, the first to get a perfect score, led the 13 and under team to a perfect record.

Naif cleaned up for our 15 and under. The 10 and under team did wonders as they almost beat a 12 and under team from Birchmont; leading them was Todd Dery, closely followed by Sam Goichman, Marc Oliver and Brian Fahey. We had a great season and a lot of fun.

Guys, remember...

The Lee-bow, the Al-bow, the gay bow, the D-J bows, Cloud Shooting, Shack Shooting, Jamie and me leaving camp, Albert's miracle day, shooting for cans, flipping arrows, Rambo shooting, sword fighting, Doug trying to shoot, looking through old yearbooks, the hockey rink, and much more...

Thanks for everything -- we had a great year!

# ARTS & CRAFTS

HUGO VALERIO

As soon as camp opened, the craft shop became a busy, busy place with pairs of hands happily making a wide variety of goodies for those special people back home. Copper bowls, trays, dishes, foot stools, tool boxes, note holders, memo recorders, toothbrush and pencil holders, tie and towel racks, medicine cabinets and paper towel holders -- all these were the favorite items chosen by the campers. This year we ordered 1/2 inch pine stock which gave a more delicate and aesthetic quality to the smaller projects than the usual 3/4 inch stock. These projects were simple in design and easily made; all were practical. About 150 items of every sort were produced by those who attended. It is hoped that they made a lot of mamas and papas happy.

The Robin Hood craft shop is a large wooden structure reeking with history and tradition and equipped with just about every tool necessary for a busy productive center. Our faithful drill press sometimes behaves a bit sluggishly, but after a long winter's rest will give us more good years of service. This fine tool was acquired during the tenure of the great Roy Bohsen, who helped develop the skills of campers for over thirty years. We were both rookie counsellors back in 1937 - or was it 1938? Our electric saws are excellent, and for the second straight year, no saw blades were broken on the band saw. Our jointer plane is in perfect condition. Our electric sander tires after long use, but after a moment's pause is as good as new. It is still a fine tool, probably better than those being sold today.

During the last two weeks of July, the very personable and honorable Dr. Roland Moskowitz became our interim physician. After being in camp only a few hours, he discovered the craft shop. He attended only after performing his magical healing duties and he worked alone, seeming to prefer to be free of any influence from the craft shop instructor. His work habits became mysterious, almost surreptitious. After a week of blood, sweat and tears, he presented his magnum-opus for my professional critique -- I was absolutely astonished!! The good doctor had designed and constructed with his own two hands a pencil holder of breathtaking beauty, comparable to the sculptures found in the great museums of Europe! From sources I heretofore considered usually reliable, I learned that the top brass of the Mayo Clinic in Rochester were most anxious to gain sole rights to mass produce this celebrated pencil holder and make them available to every physician throughout the world! Atta way, Doc!!

I would also like to thank Pietro and Michele Gianni of Rome, Italy for my greatest and most pleasurable surprise. It all happened this way. Last year, 1985, after meeting the Gianni brothers, I told them that I had lived in Italy for three years as an artist in residence. I told them how I missed the great food, the fine wines, but how I missed those great Toscani most of all. Toscani are Italian cigars which are absolutely fantastic. This summer, Pietro came to the craft shop with a wide grin and holding two boxes rather large in size. "Here are your Toscani, Hugo!" Think of it, 160 genuine Italian cigars which had left their homeland only the day before! They were just for me and me alone. However, quite a few of the staff suddenly started treating me with renewed respect and a lot of sweet talk.

In closing, I wish to congratulate Justin Weiss for his award for effort and skill and Brian Fahey for his greatest progress award. Also, I wish to express my heartfelt gratitude to each and every Robin Hood camper, for it is they alone who make this Robin Hood Realm an oasis of fun, excitement and learning.

# CANOEING

KEVIN VOSPER

Hello, again, from the canoeing department. We had a great year, despite the weather, with all the groups taking an active part in the program. Great improvement was made by many people, especially junior camp, where I ended up with some good stern paddlers. Of those I would just like to mention Fahed Al Mutawa, who earned the Progress and Achievement award, Josh Gottheimer, Fahad Sultan, and Lou Changchien. Abdul Al Mutawa, Chris Clemente, Steve Goulder, Eric Levy and Pete Obuchon also made great improvements, with Levy and Goulder earning the award for Effort and Skill.

What a year for remember whens...remember the trips to the marina...yum, yum...canoeing down the channel to the island, and then even further down to the dam...trips to the main lake and down the Ossipee River...remember having to rescue two Archers from the middle of the river? Do the Squires remember the wars with the tennis balls, and going to the Danforth Ponds with all of those beaver dams and the leech (yuk).

Well, it's 'bye for now and I hope you all had a good summer.

# GREEN & WHITE

DICK ROBERTS

DAY 4 - August 6th.

Day 4 was overshadowed by two leg injuries to Nat Brockmann and Scott Zaldivar - both White Forester/Saxons. This was obviously a severe blow to the White team as Green began to forge ahead again. Green took Junior Regatta 64-39 and all but one of the rest hour events. Despite a White domination of the Senior Regatta, Green took staff softball and so regained the lead 1374-1297, a margin of 77.

Skit Night saw a change in the rules such that Junior and Senior Skits were pre-chosen by Judges. The Juniors staged a one act play entitled "Home, Sweet Home", while the Seniors were given a skit based on "The Wizard of Oz".

DAY 5 - August 7th.

Day 5 was heralded in by heavy thunder showers which continued for most of the day, but, amazingly, the only casualty was Archer tennis. There was a fairly even spread in the morning, but Green took Tug-o-War 100-60 and ping-pong 90-50. Green also took the Giant Obstacle Relay 40-10 in something of an upset. So White had to rely on a big come-back in the as yet unannounced results to close the gap. As it happened everything except both skits went White's way. And so we went into song night with the Green leading by an unassailable 106 points (unknown to the teams, of course!). The White team knew they had to put in a good song night to have any chance, and that was exactly what they did. With a fantastic singing and cheering performance, they swept song night 100-0. But it wasn't quite enough. John stepped up to announce the final scores as - GREEN 1754, WHITE 1748. A margin of 6 points GREEN. There was a second of silence and then the left side of the hall erupted in a Green Blaze of Glory!

And so ended one of the closest and most sporting Green and Whites ever. Credit must be given to both Counselor captains for their open sportsmanship which was exemplified by both captains leading the teams together in the Camp Alma Mater at dinner on Day 5. Finally, congratulations to Michael Stern and David Sobel. You'll enjoy next year, both of you!

The traditional Green and White fever struck shortly after Parents' Weekend; but with two swim meets scheduled for July 30 and August 1, it was fairly clear that Green and White was not going to break before August 2 - the day of the Founder's Eve Banquet. As all groups trooped into the dining hall for the traditional feast and stood ready for grace, the air was split by horn blasts and bursting balloons as the Honorable Judges were driven into the hall in the green and white camp vans. Green and white balloons and streamers were thrown from the balcony and that was the beginning of Green and White for 1986.

After dinner captains and co-captains were elected in each group and they in turn picked their teams in traditional secrecy. And so to the Jelly Bean Ceremony. No sooner had Doug Lipsky drawn a green bean than the heavens opened and we had to move into the dining hall for the rest of the ceremony. Eventually all camper teams were divided into Green or White, and we waited expectantly for the counselor captains and co-captains to be announced. John stepped up and declared that Michael Stern and David Sobel would lead the teams with Scott Cramer and Andy Solomon as their respective co-captains. Michael won the toss to pick the bean, and drew ..... GREEN! And so Stern's Green Machine and Sobel's White Dynamite were ready for battle!

DAY 1 - August 3rd.

Green set off at startling speed and swept into a 105 point lead by lunch. However, in the afternoon White stormed back with great spirit to cut the lead to 50 by dinner. In the evening, both staff volleyball games went to the Green, with White taking the Spelling Bee 25-15. A near sweep at meals by White (42 1/2-2 1/2) ended the day with the scores at 300 Green - 260 White, a margin of 40 points Green.

DAY 2 - August 4th.

Swim Meet time and the scores were pretty even until White finally edged it 227-215. Meanwhile the PJ's built two good sandcastles which were split 10-10. Thus White had chewed a little more away from the Green lead. White did well at rest hour, but another Green domination in the afternoon stretched their lead still further. A tough staff soccer game ended 1-1 while the Frisbee Throw was edged 39-33 by Green. After the judges' ears cleared of cracker crumbs White came out on top in Cracker Eating by 35-37. White again carried the meals (27 1/2-17 1/2) to leave the scores at Green 776 1/2 - White 704 1/2. Margin - 72 Green.

DAY 3 - August 5th. Rest Day.

The day started with the Track Meet and again White showed their strength at the meets with a 255-174 margin. The traditional "Rest Day" was no rest for either team as flags and presentations were prepared. White used the serpent as their flag theme and Green depicted the "Sun of Victory" on their flag. Staff events in the evening cancelled each other out with White taking basketball and Green winning horseshoes. And so at the end of the day White had nosed in front by 4. Green 1055 1/2 - White 1059 1/2.

## GREEN TEAM SONGS

### (CATS IN THE CRADLE)

He came down the channel just the other day  
 He saw this place and decided to stay  
 So the land was cleared and the bunks were built  
 This was done in a beautiful way  
 The camp was great before he knew it  
 And as it grew, he knew it would go to Drew (yeah)  
 He knew it would go to Drew.

#### CHORUS:

And the trees, and the lakes that are so serene  
 Robin Hood always shines supreme  
 When we comin back  
 It will be next year  
 We know we'll have a good time here (yeah)  
 Ya know we'll have a good time here

Well John took over just the other day  
 He came to this camp and he happened to say  
 I'll teach you to grow in so many ways  
 I got a lot to do  
 Why don't you guys play  
 And we walked away but our smiles never dimmed  
 Said we're gonna be like him (yeah)  
 Ya know we're gonna be like him.

#### CHORUS (2 TIMES)

### (AIN'T NO STOPPIN')

Down on the fields  
 White won't survive our heat  
 Now is the time  
 That was meant for Green to shine

It's time to turn it on  
 For the Green to end this war  
 And there's no chance for White (Awesome)

#### CHORUS:

There's no stoppin' Green, there's no stoppin'  
 No one does it better, No one does it better

Green's overdue  
 We're playing games with you  
 Green knows it's true, it's more than just a dream come true  
 We have waited far too long for this moment to arrive (YEAH, YEAH)

#### CHORUS (3 TIMES)

### (RHYTHM OF THE NIGHT)

When it feels like Green and White is breaking  
 And all of the madness has got ya goin' crazy  
 It's time to get out, step on to the field  
 And all of the madness has got ya goin' crazy  
 It's time to get out, step on to the field  
 Where all of the action is at the Green team's feet  
 Well, we have a team that could take the whole fight away  
 Underneath the Judges' eyes  
 Just stick with Stern and we can shake the White team away  
 We've been doing fine from the very start

#### CHORUS:

Oh, to the beat of the rhythm of the Green  
 Fight until we reign supreme  
 Forget about the worries on our minds  
 We can leave them all behind  
 To the beat of the rhythm of the Green  
 To the beat of the rhythm of the Green (ooh)

Look back at the days now  
 The fun is just beginning  
 The Green team's winning  
 Green and White is ending  
 Right here at song night  
 The scene is being set  
 A night for victors  
 A night we won't forget

So come win with Green  
 This is the time to be tryin' hard  
 Ooh, there's so much going on  
 Tonight is going to be a night like we've never known  
 We're gonna have a good time the whole night long.

#### CHORUS

REPEAT LAST VERSE  
 CHORUS

### (DANCING IN THE STREET)

Calling out around the realm  
 Are you ready for Green and White  
 The Green team's here and the time is right  
 For winning against the White  
 Winning in the field, down in junior camp  
 At the tug-of-war, (winning with the Green)

#### CHORUS:

All we need is spirit and team work  
 There'll both be everywhere  
 There'll be PJ's playin' and Fo/Sax swayin'  
 Winning with the Green

Oh, it doesn't matter what you wear  
 Just as long as it is Green  
 So everyone raise your hands, everywhere around the realm

They'll be winning, winning with the Green

There are campers here from across the nations

A chance to win with Green  
 Winning with the Green  
 There'll be PJ's playin' and Fo/Sax swayin'

Winning with the Green  
 Pittsburgh, PA (Winning with the Green)  
 Ossipee, NH (Winning with the Green)  
 What about Kuwait (winning with the Green)

## WHITE TEAM SONGS

### (GLORY DAYS)

White is the team that will reign supreme  
 In this color war  
 Later tonight we'll be in the lead  
 When Sol reads the score  
 We've been ahead ever since day one  
 The Green never had a chance  
 We've just been winning everywhere  
 And doing our victory dance

#### CHORUS:

White Team - we're winning on the fields  
 White Team - The Green just has to yield  
 White Team, White Team

White's been in front on the track, in the lake  
 And we've shown all our might  
 Wherever we go we leave Green in our wake  
 This team's outta sight  
 In all my years I have just never seen  
 A team that was nearly this good  
 With our captain and co-captain David and Sol

#### CHORUS (2 TIMES)

### (HOTEL CALIFORNIA)

Off a small Hampshire highway  
 Hidden back in the woods  
 Lies an unbridled monster  
 Here at Camp Robin Hood  
 It's been wreaking havoc  
 Now for five days straight  
 Ask anyone that you pass by  
 Number 1's what we rate

#### CHORUS:

We are the one and only White team  
 We've been running wild  
 Every man and child  
 We are the one and only White team  
 We're the cream of the crop  
 We will end up on top

On the courts and the fields  
 It's been an awesome fight  
 But in every event  
 The White's shown their might  
 It's been an awesome fight  
 But in every event  
 The White's shown their might  
 The Green's tried their hardest  
 But we've just been too tough  
 With the power and the poise we've displayed  
 Their efforts just weren't enough

### (LEADER OF THE BAND)

59 years ago, he stood upon the shore  
 And his eyes grew wide in wonderment  
 As he gazed at what he saw  
 He saw a land of hills and trees,  
 Of forests and of lakes  
 And from his hand came Robin Hood  
 The friend we can't forsake

Andy's breath has touched this land  
 And he's left us Robin Hood  
 And John's picked up and carried on  
 Just like we knew he would  
 He gave us love, he gave us strength  
 He gave the Realm its life  
 And John, we don't think we've said we love you near enough.

The happy faces that John made  
 Are shining here tonight  
 And we've struggled hard and we've struggled long  
 To be true to the Green and White  
 We've learned to laugh, we've learned to cry  
 We've learned to love and die  
 And John, we don't think we've said we love you near enough.

### (PROUD MARY)

Right from the very beginning  
 White team's been hustlin' and toilin' away  
 And we never saw the bad side  
 Of the White team  
 Diligent...respectful from the very first day

#### CHORUS:

White team keep on turnin'  
 We're proud and we'll keep on burnin'  
 Rollin', Rollin'  
 Roll on, mighty WHITE Team

From Softball to Tennis to Soccer  
 WHITE team's been winnin' and pullin' with steam  
 And we never saw us givin' up or mopin'  
 Cause we won't be defeated,  
 We're the Mighty WHITE TEAM.

#### CHORUS (2 TIMES)

### (TAKE IT EASY)

Well, White's been runnin' through the Realm  
 Runnin' all around  
 And Green just can't seem to catch our Realm  
 Runnin' all around  
 And Green just can't seem to catch our tail.  
 With Sobes at Number 1 and Sol right by his side  
 It's gonna be a smooth, smooth ride.

Come on White team  
 Come on fight team  
 Keep workin' hard and we'll stay at number one  
 We won't lose, yes, we will win  
 And Green will never be seen again  
 So come on, Judges, just listen in  
 We'll make it easy

Well it's been five hard days of work  
 But we're not finished yet  
 The money's down, we've laid our bets  
 White team's Number one, we've shown it all along  
 We'll prove it all again tonight.

## BASKETBALL

### 10 AND UNDER

The 10 and Under basketball game went extremely well considering that we had had no practice. From the start Robin Hood dominated play and Winaukee was unable to regain composure. The starters were Jon Leebow (G), Andy Isaacson (G), Mike Feiner (C), Michael Brewer (F), and Ken LaFreniere (F). The high scorer of the game was LaFreniere with 6 points. Both Leebow and Feiner chipped in with 4 points. Feiner and LaFreniere dominated both the offensive and defensive boards while Leebow was an animal on defense compiling at least 10 steals. It was an excellent start for this team and the future games looked promising.

### 12 AND UNDER

With only two practices the Robin Hood Cagers went into their first game against Winaukee with high hopes. The game stayed close until the third quarter when Doug Spear and Rock Perlmutter put a few fine give and go's together and the team tightened up a good 2-3 game defense. Robin Hood then went up to the ten point lead which they sustained throughout, winning 27-17.

On July 18 Robin Hood would then go up against Winaukee again. This time it would remain close til the end. Doug Spear sank two free-throws with 30 seconds left to lift Robin Hood to a 28-26 win. Spear finished the day with a game high of 15 points. Ryan Hipscher had 12 rebounds and played a great defensive game. Other stars included Chris Asher, Nick Coslov, Josh Pimentel, Josh Lipsky, Josh Moskowitz, Pierre Boatner. Jeremy Goldberg and Howie Perlmutter each scored six points.

The team then went on to a tough 10 point loss to a fine, outside shooting West End team. Robin Hood hung tough, only down by one at the half. It was a great team defense that kept Robin Hood alive. Doug Spear, Nick Coslov, Rock Perlmutter, and Chris Asher all played leading roles on some fine rebounding.

Once again the Hoods would win a close one, this time against Birchmont. Trailing throughout the game, Robin Hood took the lead with some key free throws by Rock Perlmutter. Doug Spear played an outstanding game with 18 points and 14 rebounds. Birchmont was a very fast team and a strong team defense is the only thing that could stop them. The game was played very physically and only due to some good bench playing could Robin Hood prevail. At the end of the first overtime period Robin Hood came out on top, 29-27.

It was a great season that was ended on a very fun note when we went to the Tri-State Tournament at Winaukee. This tournament happened to be played the day after Green and White ended, so an exhausted group of Merryman played their best and came out in third place. I must say we definitely had the most fun out of any team in the tournament. Robin Hood won four games and lost only one. All players on the team played well and to be redundant - we had fun!! Thanks for a great summer.

### 13 AND UNDER

The highlight of the 13 and under season was the Robin Hood Basketball Tournament. Robin Hood coasted to a 42-22 victory over Alton, and then proceeded to take a 34-20 win over Moosilauke. John Castle was the high scorer in the first two games.

It was the third game of the tournament that was the most exciting. The Winaukee team had some much larger players, making it difficult for the smaller Robin Hood team to defend. We hung tough throughout, actually playing over our heads and with a lot of pride. The game lead swayed back and forth in the 4th quarter, Robin Hood took it to the last second, but missed the chance to tie, losing in the finals to Winaukee, 40-38. Our team played with a lot of class, never giving up, right to the end.

### 15 AND UNDER

The 15 and Under Basketball Team enjoyed a very successful season. We improved all year long as players and as a team. You boys worked and hustled your butts off. At times we played amazing basketball, at other times -- weellll. Most important to everyone was the fact that we all finally played to our own individual and team potential. We learned how to finally have fun while playing --also how to take victory and defeat graciously.

After coming out of retirement to coach for one more year, I started to recruit. We picked up Danny Tower fresh from a year in the C.B.L. playing alongside Spud; re-signed Lev, Skeeter, Shensa, Swartz, Kaplan, Adler, Lipps and Tbon; activated Tommy Heymsfeld from injured reserve and brought up Levy and Castle from our championship farm team.

You could tell from the first practice that this team would be special. With Scott in the middle, Swartz and Shensa switching at point guard, Tommy and Lev shooting from outside and Tower just playing everywhere, even the Knicks would have had trouble.

Robin Hood opened up against a tough West End team. After introducing the entire team at dinner and receiving the new jerseys, the entire camp was pumped. Everyone was there for the tap, with the feisty Yeomen creating the most noise. The air was so tense that West End sprinted to a quick ten point lead by the middle of the second quarter. But after a time out and a small chewing out I knew you guys were ready. Led by Tower's clutch playing and with Shensa's tough defense creating turnovers, Robin Hood cut the lead to one point by half. Robin Hood came out in the second half ready to play. Zaldivar learned how to rebound and the score flip-flopped the entire second half. Castle came in to support the Robin Hood defense while a classic finish was set. With two minutes left, down by 3 points, Tower took over. He scored 6 points at the line, while controlling the ball, during the ill-advised stall by Woodstein. Tommy hit a big basket to tie.

We came right back with a hoop to take the lead with one minute left. We missed a shot but Leventon stole and fed Scott for a fade-away. We called time out with four seconds left. Tommy and Castle harassed the shooter and Scott pulled down a Ewing-like rebound. Chalk one up for the Hoods as the entire camp swarmed onto the floor.

Our next was across the unfriendly waters of Camp Winaukee. After suspect baseball the boys were ready for a fight. It was total chaos as Robin Hood totally outplayed and outscored a tough Winaukee team. From start to finish it was us winning by 12 behind Scott's 16 points, Tower's 12 points, Lev's 7 and Shensa's 5 assists. Tommy and Mike Gianni played amazing games as everyone got to play. The final margin was 52-42 as we won for the first time on the Island of Winaukee.

After a late night gathering at Camp Wicosuta, Robin Hood woke up to begin the NE tour. But the magic of two years earlier was absent. Everything including the players, coach, and ref (little young, huh, Dino?) destructed in the fourth quarter as they came back to defeat us by 12 points. After the 10 and under softball team's schneider, all stats were misplaced mysteriously on the bus ride home. No, Lev, we're not stopping at Steve's.

The Powhatan Tournament fell on a great day for us, the day after Green and White. Tired, hurt, broken (Scott's ankle), and a little sick (right, Weins?) we left at 6:45 in the white van. We arrived only to find out that our first opponent was a tough Camp Kingswood who had beaten us while winning our own tournament. With Scott back at camp and Shens, Swartz and Castle playing with the 14 and under team, we were forced to look to new people. Lev really rose for the occasion scoring 12 points. Richie chipped in for 7, while Evan Kern and Jason Adler accounted for 8 points, but even Tower's amazing 27 point effort only kept us in the game until the final minutes. We next played a tough Powhatan team on their own court. This was truly the best effort of the year. We went out and played hard, dove for loose balls (even Lev), followed our shots (Richie), and most important, had fun (thanks, Danny). Powhatan had taller, tougher, and better players than small but feisty Robin Hood. But we played with the kind of enthusiasm I was looking for all year. We hung tight before losing in overtime. But we did have a match-up at half court, explained the back court call, and a near rumble outside. Guys, it was our last game together in some ways the best we played in four years. We've learned to shoot, rebound, hustle, and laugh together. Thanks a lot for the great times Danny, Lev, and Tommy. It's been some four years!

We left for the Tri-State Basketball Tournament with mixed emotions. Some of our players were at Samoset, allowing Castle and Richie Birns to fit into the starting line up.

We played the entire morning undefeated and were therefore awarded the top seed for the afternoon tournament. We breezed into the finals easily against some outstanding competition. Tower was playing great ball hustling all over the court. Scott was pulling down every board. Richie, Tommy and Castle supplied the missing link to the entire season...Hustle.

We met Ridgewood in the finals. This was a powerful team with some huge players. John, Chuck, Joan and Irene showed up at the start and we were ready. The Robin Hood squad came out playing amazing defense. We held them to 20 points in the first half, but we only scored 15. The second half we pulled back to cut the lead to 2. Tower hit a driving lay-up and the score was tied. We held the ball for the final shot, but missed. We held the ball the entire first overtime which ended with a Richie lay-up dropping in and out. We traded baskets in the second overtime which ended with Ridgewood hitting a running lay-up to win the game. All those who witnessed it claimed it was the greatest game ever played at Winaukee.

It was without a doubt the best full day of basketball we played. Our record was 8-1 in 11 hours of basketball. Danny scored 96 points in 4 full games. Scott pulled down 54 rebounds and Richie, Tommy and Cas added invaluable hustle and gutsy play. Only a dinner at the Pizza Barn could end the amazing day correctly.

Well, guys, that's just a few of the great stats. We sure did go out on top. The last two tournaments were the best hoops we played in five years. Danny, Scott, Lev, Tommy, Lipps and Evan, thanks for all the hustle. Shensa, Swartz, Toon, Adler, Castle, Levy, work on your games and good luck next year. A special thanks to Scott Berendt and Josh Moskowitz for all their time keeping stats. But to all you guys, thanks for allowing me leave in such a special way.

## SOCCER

In addition to tournaments and matches, the Robin Hood Soccer Program had much to offer. In particular was the Robin Hood Soccer Specialty Camp - five days of hard work and good fun for both campers and staff. Remember circle ball, the 2 v 2, the obstacle course, juggling? Next year should see the perfecting of the program which overall was very enjoyable. Many thanks and congratulations to Jabs, Evan, Fahed, Naif, Petro, Mike, Alex, Sebastian, Gary, Justin, David, Noah, the two Josh's, Ricky, Jason and Jeff. Thanks also to the staff who contributed particularly Mark Dickson and also Freaky, Nigel, Scott, Todd, Willie, Mike and Chris.

The TPJ activity periods were among the most enjoyable with Michael Brewer particularly impressive and Eric Jelin, Doug Lipsky and Jason Tuchman revealing great potential for next year's 10 and under.

The Squires were one of the most enthusiastic groups in camp - many thanks to Scott, Willie and Todd for that. Aaron Adler, Toure Conley, Todd Dery, Andy Isaacson and Jon Leebow showed great ability throughout the summer.

This year's Archers will provide the basis for the 12 and under team next season. They had one of the strongest soccer playing groups with players such as Michael Feiner, Josh Gottheimer, Jeff Josephson, Danny Kay and Kenny LaFreniere.

The Yeomen group of 1986 played perhaps more soccer than any other group and this showed in their improved performances throughout the summer. This culminated in their excellent Green and White game in which every member of the group played a good standard of soccer.

The Lancer activity periods were extremely popular especially as nearly every camper was capable of playing a good game of soccer. Scott Berendt, ET, Michael Reiss, Evan Swirsky and Brett Weinberg all showed good ability.

The Friars were notable for the number of competitive games they played through the summer. Eric Doppelt in particular revealed more than his fair share of potential. Their Green and White game was probably the best of them all with Gary Wayne, Sebastian Vernaton, Eric Levy and Jimmy Helf all continuing the form they had shown all season.

The Fo-Saxs were notable for not being around the soccer pitch - it is possible they preferred to save their best for the inter-camp matches. However, players such as Justin Swartz, Michael Gianni, Dan Tower and Aaron Kaplan played to a really good standard of soccer. My thanks must go to Naif Al Mutawa for his company and help during many hours on the soccer pitch.

My thanks also to Nigel White, Mike Steinman, Scott Cramer, Dick Roberts, Freaky - and all the other counselors who gave their assistance in coaching, refereeing and motivating. Hopefully this year we proved Robin Hood could win games, have fun and give the maximum number of people a game. Next year could be even better - especially if we have a repeat of the English-type soccer playing weather of 1986. Next year should also see the introduction of English soccer awards and a new grading scheme, which will hopefully make 1987 an even better year than 1986.

### 10 AND UNDER

The first game of the season for all ages also saw one of the closest -- and one of the most outstanding performances of the whole season by Todd Dery -- who was unlucky not to score a hatful of goals after hitting the post and crossbar several times. West End's winning goal came off a penalty kick rebound which Michael Feiner had initially saved brilliantly. Good games were played also by Kenny LaFreniere, Jon Leebow and Michael Brewer in an unlucky 2-1 defeat.

The second game, against Winaukee, saw a resounding 4-0 victory. The goals were scored by Todd Dery (2), John Leebow (1) and Kenny LaFreniere. Excellent games were also played by Doug Lipsky, Michael Brewer, Corky Stern, Toure Conley and Michael Feiner.

The third game again saw Todd Dery scoring two more goals. However, it was again a close game against West End with Robin Hood going down 3-2. Jon Headley, Ken LaFreniere and Xander Charity played good games in particular.

### 12 AND UNDER

The first of the soccer 12 and under games saw Robin Hood leading 1-0 against Winaukee with a Justin Weiss throughball giving left-winger Michael Reiss a goal. However the rain which had started falling became a torrential downpour in which it was impossible to play and so the match was abandoned.

The second game was also against Winaukee in a 12 and under playday. Despite having already participated in four other activities under a hot sun, the Merry-men of Robin Hood hustled constantly coming out 3-1 winners. The first goal came from an exquisite free taken by Josh Pimentel. Jeremy Smerd and Matt Winitzer followed this up with a goal apiece. The match was notable for the great teamwork of every player. Special mention must go to Josh Rabby, Alex Lippard and Josh Lipsky. A great day was had by all.

With several key players missing, Robin Hood was defeated 4-1 by an aggressive Birchmont team. Robin Hood went behind after an unfortunate missed goal by the otherwise impressive Brett Weinberg. Robin Hood fought back well in the second half with unlucky misses from Justin Weiss, Todd Dery and Josh Pimentel.

Playing against a strong West End team, Robin Hood put up a spirited performance, with Josh Moskowitz particularly outstanding in midfield. Robin Hood was very unhappy not to score, eventually going down 2-0.

The 12 and under final outing of the season was in the Tri-State Tournament at Winaukee. Against the Winaukee silver team Robin Hood scored four goals in 20 minutes with goals from Alex Lippard, Howie Lesnik, Justin Weiss and the first of the goals from 10 year old Todd Dery. In the second group game against Takajo, Robin Hood went down 2-0 after a spirited performance against a much larger team - Brian Ratner, Josh Pimentel and Josh Moskowitz working particularly hard in mid-field.

In the third game a tired Robin Hood team went down 5-0 to the top Winaukee team. The fourth match was again played against Takajo but Robin Hood lost 3-1, with Todd Dery scoring gain and having another disallowed. The final game saw RH giving their best against the Winaukee silver team. Justin Weiss made two brilliant saves in goal and Todd Dery scored twice and Howie Lesnik added a third to give Robin Hood a creditable 7 out of 12 placing.

Overall it was a good 12 and under season with a .500 record and made notable by the emergence of players such as Brian Ratner, Craig Swerdloff and Jeremy Smerd.

### 13 AND UNDER

In the first 13 and under soccer game Robin Hood lost 1-0 to Birchmont in a close, gutsy match. Scoring opportunities were abundant but Robin Hood was unlucky not to score. Nicky Fishman played a great game in goal making several important saves. The entire team gave 100% in a hard fought match.

The Robin Hood 13 and under soccer tournament provided an entertaining day of soccer. Playing Powhatan in the first round Robin Hood was down by two first-half goals. However Robin Hood fought back in the second half with a Justin Weiss goal after some good wing play from Michael Reiss. However, with Eric Levy injured during the game and despite good performances from Nicky Fishman in goal, Josh Rally, Scott Berendt and Jimmy Helf, Robin Hood was unable to break down a big and powerful team. It was a rainy but enjoyable day of high quality soccer.

### 15 AND UNDER

The 15 and under soccer team played its only tournament in the Moosilauke Tri-State. After arriving one hour late the team was eliminated into the consolation tournament. However this setback inspired the team into probably the two best soccer performances of the year. The first game was against Kenwood and Robin Hood quickly scored with two goals from Justin Swartz and one from the left foot of Scott "Ego" Zaldivar. Final score 3-1 to Robin Hood.

The second and final game was against Lanakila. Dan Tower and Michael Gianni continued to control the defensive line. With Robin Hood again dominating, Gary Wayne opened the scoring and RH ran as easy winners with goals from Scott Zaldivar (2), Evan Kern and Justin Swartz (2). With Naif Al Mutawa keeping a shut-out in goal, Robin Hood won 6-0. More excitement was still to come however with the missed social when we arrived back at camp. However it had been a great day with the only regret being that we had not arrived in time for the main tournament which we could have won.

### SWIMMING

The burning question: could the Robin Hood swim team sustain a high enough level to compete with its fellow camps? The answer: a resounding YES, as seen by the Tri-State and Samoset meets results.

At the Tri-State the whole squad swam superbly and gave 100% effort. The 12 and unders led by Josh Moskowitz and Jeremy Smerd found it tough going, but Jeremy came in second in the backstroke with an incredible swim. Josh gave it his all but came up against some very strong swimmers. Jimmy Castle, Matt Winitzer, Kenny LaFreniere, Jeremy Goldberg and Keith Cyrus (who gave 110%) all swam very well, very hard and can be very proud of their 5th place overall.

The 15 and unders, led by Jason Adler, Scott Zaldivar, John Castle and Matt Baumel with Eric Levy and Brett Mason, came in second overall, just missing first place by 3 points! Jason Adler won first place in the 50 meter butterfly and second in the 50M freestyle. Scott Zaldivar was victorious in the backstroke and John Castle placed a strong fourth in the breaststroke. Matt Baumel was the surprise of the team; he swam hard and has the potential to be incredible.

After the Tri-State, the team travelled to Samoset, greedy for revenge and ribbons. The squad was strengthened by the addition of Jon Dolin, Danny Tower and Eric Doppelt. All swimmers swam well in the heats, there were no disqualifications and most swimmers made the finals, indeed, every swimmer in the 15 and under made the finals.

The first final was the 11 year Medley Relay - Jimmy Castle (backstroke), Matt Winitzer (breaststroke), Keith Cyrus (butterfly) and Joey Fishman (freestyle) won the consolation final. The 13 year old Medley Relay of Noah Davis, Eric Levy, Josh Moskowitz and Eric Doppelt finished second in the final, all swimming excellently. The 15's Medley Relay of Dolin, Baumel, Adler and Zaldivar then demolished the opposition from 10 camps in the corresponding event.

John Castle won the 13's freestyle in commanding style and Eric Levy reached new heights in winning the consolation final. Adler and Zaldivar finished 2nd and 3rd respectively in the 15's freestyle in an event where a new meet record was set. Noah Davis swam well to finish 5th in the 13's backstroke final and Dolin came in 5th in the 15's backstroke, an event won comprehensively by Zaldivar. Adler then proceeded to completely wipe out other competitors in winning the 15's butterfly by a long way.

Joey Fishman, the only 11 year old to make a final individually, swam exceptionally in a good field, finishing runner-up in the consolation final. Moskowitz repeated this feat in the same event (25 breaststroke), and John Castle won the 13's breaststroke in near-record time. Danny Tower and Matt Baumel finished 4th and 8th respectively in the 15's breaststroke.

The final set of relays provided some of the the best competition of the meet; the 11 year old relay winning the consolation final and the 15's team of Leventon, Dolin, Baumel and Tower coming in 3rd. Arguably the best race was the 13's freestyle relay where Davis, Levy, Doppelt and Castle swam the race of their lives to win less the 7/10th of a second outside the record time!

In the final analysis, Robin Hood clearly won the 15's trophy and narrowly missed first place in the 13's. The 11's competed gamely in a strong field, finishing 9th. Overall, Robin Hood came in 3rd, missing 2nd place by 3 points! John Castle won outstanding swimmer in the 13's -- an award extremely well-deserved. Robin Hood swimmers gave disciplined, competitive performances, everyone putting forth maximum effort and these qualities and the results of the meets served to re-establish Robin Hood as one of the forces in camp swimming.

## BASEBALL

### 11 AND UNDER

The 11 and under team played two games against West End. The first game West End quickly got on top by scoring two runs. By the third inning, West End was leading 3-0. However, in that inning, Robin Hood came back after Josh Lipsky hit a triple with the bases loaded. However, West End kept the lead and was victorious. The second game had a very different scenario. Robin Hood jumped ahead in the first inning by scoring 3 runs. From then on, Robin Hood just increased the margin. David Perlmutter pitched a 6-hitter with 5 strikeouts. Josh Pimentel went 3 for 3 on the day and Ken LaFreniere stole home. The final score was 15-4.

### 12 AND UNDER

The 12 and under softball/baseball team posted a very successful 3-0 record this season. Led by Lancers Chris Asher at first or catcher, Howie Perlmutter at shortstop and Doug Spear at third or pitching, this promised to be an exciting team. Other starters were Josh Moskowitz in left field, Howie Lesnik in centerfield or on first base, Josh Pimentel and Brian Ratner pitching, Brett Weinberg behind the plate, Jeremy Smerd, Jeremy Goldberg or Danny Isaacson at second, Nick Coslov in right field and Craig Goodfriend as the rover in softball and third base in baseball. This undefeated team was aided by subs Josh Lipsky, Justin Weiss, Noah Zamansky, Craig Swerdloff, Rob Shuster, Greg Guttman and Chris Annear.

The season started like a dream with a 13-3 shellacking of Winaukee in front of the home-town fans. Chris Asher turned in an offensive gem with 2 homeruns and 6 RBIs to lead the Robin Hood assault. Howie Perlmutter played an exceptional all-around game and Josh Moskowitz was the defensive player of the game with 5 putouts and an excellent throw to third which stifled a Winaukee rally. Good games were also turned in by Doug Spear and Howie Lesnik. Pitchers Brian Ratner and Josh Pimentel combined for the win.

We then went to Winaukee to complete the home and home series with a 6-3 victory. Howie Perlmutter was again outstanding with a home run and a double in 3 at-bats and an excellent defensive game. Josh Moskowitz was also 3 for 3 and played well in left. Pitcher Josh Pimentel went the distance, allowing no walks and only 8 hits.

To end the season, the 12 and under team switched over to baseball for a home game against Birchmont. This was our closest game as Robin Hood prevailed in an exciting 9-8 victory. Doug Spear went the distance, letting in only 4 earned runs while striking out 10 Birchmont batters. Chris Asher was fabulous behind the plate, allowing only two stolen bases in 6 innings.

It was an outstanding season for the 12 and under team, which will be unbeatable as they play and mature together.

### 13 AND UNDER

The Robin Hood 13 and under baseball team had a strong outing against Winaukee. Scott Elisofon was on the mound, and he pitched a fine game. ET pitched a no-hitter, with 6 strikeouts, over 4 innings, as Robin Hood posted a 4-0 win. Our offensive attack was spread out over all players, but the Robin Hood standout was Howie Perlmutter, going 2 for 2, with 3 RBI's, and scoring one run. The player of the game award was split between the offensive and defensive standouts Scott "ET" Elisofon and "Rockin" Howie Perlmutter.

Rounding out the starting team was Scott Berendt at first base, Craig Goodfriend at second base, Eric Levy playing shortstop, Howie Perlmutter on third base, Doug Spear in left field, Jimmy Helf at center field, Jed Lippard in right field and Chris Asher behind the plate. As substitutes Robin Hood had Craig Swerdloff, Danny Isaacson, Josh Moskowitz, Jon Jablow and Don Busiek.

### 14 AND UNDER

The 14 and under baseball team, comprised of 3 Foresters, 6 Friars and 5 Lancers travelled to West End to begin our season. The team was looking for a strong outing in order to serve as preparation for the two upcoming tournaments. Hurling for Robin Hood was newcomer Gary Greaves. Gary had a fine outing, after overcoming early control problems. The game was iced when stopper Justin Swartz came in and threw two scoreless innings to complete the game. Offensively, Robin Hood was led by Justin Swartz, 4 for 5, with 3 RBI's, and Craig Shensa, going 3 for 4 with 5 RBI's. Defensively, we played near perfect baseball and left West End with a strong and promising 12-4 win. Coaches Mark Weiner and Danny Berger were very impressed by the outing and gave the player of the game award to Justin Swartz for his contributions offensively and defensively. The starting team was rounded off by Chris Asher, third base; Eric Levy, second base; Scott Elisofon, first base; Gary Wayne, right field; Jimmy Helf, center field; and Doug Spear in left field.

Journeying forth to our first tournament, organized by Samoset, but played at Takajo, the Hooders felt they had a good chance of winning. After a very adventurous van trip, on which Gary Greaves left his mark, the team had a good warm-up and was very psyched to play Manitou. Robin Hood's starting pitcher was Gary Greaves, who pitched a strong 4 innings before being pulled by coach Dan Berger for reliever Justin Swartz. The game opened up in the fourth and the fifth, and it led to a 10-0 defeat in 5 innings due to a time limit call, and gutless 10 run rule to end the game automatically. We stranded a great many runners and just never seemed to capitalize. Defensively, we played near perfect ball until the fifth when our defensive abilities disappeared. After the game, the worrying began about the van trip home and whether or not Gary Greaves could keep his lunch within him. It was a good day, all in all, and a lot of fun was had.

Remember...Wein's pull over...Greaves, can you make it...Berg's nearly losing it...getting picked off at second...throwing batting practice...the lack of etiquette by their coach...swimming in the lake...feeding the ducks...getting blown out 10-0...the ridiculous rules we were playing by...not hitting the ball out of the infield...Levy throwing a man out at home...the highlight of the day: Gary Greaves and the van?

Once again the 14 and Unders ventured to West End to play in their dome, seating capacity 27. The game was supposed to be part of a tournament held there but due to a last second cancellation the tournament was scratched and a game set up. On the hill for Robin Hood was Richie Birns, a newcomer to the team due to a late arrival at camp. Richie pitched a fine game, striking out 8 batters in only 5 innings. At the plate Richie was also hot, going 3 for 3, with 2 RBI's. This performance earned him the player of the game award, along with Craig Shensa, who played catcher and threw out 4 runners and went 2 for 3 from the plate, with 2 RBI's. The final outcome was a 7-2 winning over West End House, in only 5 innings (5 because of a Green and White possible break). All had fun and a good outing.

This concluded the Robin Hood 14 and Under season with a record of 2-1, and a lot of great memories. Remember, practice makes perfect, and all baseball is a mastery of the basics, so field ground balls, stray fly balls, practice base running, and take batting practice. See you all next year playing on the 15 and under team.

#### 15 AND UNDER

The 15 and under team opened its season with a holiday game at Camp Winaukee on the 4th of July. Starting on the mound for RH was Danny Tower with Craig Shensa C, Scott Zaldivar 1B, Adam Lippard 2B, Justin Swartz SS, Tony Rubino 3B, and an outfield of Jason Leventon, Andy Moskowitz and Tommy Heymsfeld. Although victimized by some strange calls by the umpire, the team played well with strong pitching from Tower and Zaldivar and a solid defense. The final score, Winaukee 2 -- Robin Hood 0.

One week later the team met West End at Robin Hood. Taking advantage of spotty West End pitching with timely hitting and convenient walks, Robin Hood emerged with a 15-11 victory and was able to take a look at several of its subs. Rookies Jimmy Helf and Gary Wayne had fine games in centerfield and second base respectively. Tower and Leventon combined for the win, and Swartz, Rubino, Tower and Zaldivar all had multiple hit games.

As always, the team looked forward to the Robin Hood Tournament which was played on July 16th. RH played an unscouted Cedar nine in the first round and played a solid game in all areas, winning 5-1. Scott Zaldivar pitched a beautiful game and Swartz, Tower and Zaldivar provided the key hits.

We met a strong Winaukee team in the semi-final round and the excitement was high, remembering the close game we had played on their diamond earlier in the summer. Lancer Scott Elisofon started on the mound, later relieved by Danny Tower. Tower had four RBI's, but the Hoods ended up on the short side of a 7-4 score. It was an excellent tournament with strong competition, and the Robin Hood men played sound baseball throughout.

Rounding out the 15 and under squad was infielder Gary Greaves, and outfielders Marlon Toon and Doug Spear. The prospects for next year's team are excellent and we're looking forward anxiously to spring training.

PAT JOSEPH

The darkroom at Camp Robin Hood was a busy and exciting place this summer. TPJs, Squires and Archers all came in to make nature photographs, and the mushroom Sami Sultan found helped to make his an unusual one. Brian Fahey created a beautiful one, as did Jack Weiner. Many campers in Junior Camp came in on rainy days and shot some group portraits of their friends, using the spotlights and posing them individually. Jack Weiner took many incredible mountain pictures, some great group pics of Coach Mackey with kids, and generally improved his shooting skills this summer. Corky Stern also showed a keen interest in shooting and learning everything possible about a 35 mm SLR camera.

Saxon Jamie Dolin helped out with shooting, printing in the darkroom and working with the younger campers to improve their skills. He is truly a gifted photographer. Mike Edgson, Mark Weiner, Steve Pelton and Scott Cramer all helped make this year's camp photographs real quality work. Thanks, guys!

Remember...the special heavy duty mole whacker from Peter Hershaft ... Jamie and I turning on the lights to find 10 daddy long-legs at our beck and call ... Jack developing and developing during Green and White ... Alex's one roll ... Evan's hot dogs and fries ... the great ski shots of Little Woody ... the one we didn't get of his mid-air helicopter ... the canoe trips, and there goes my Olympus down Effingham Falls ... the Squire mountain trip ... smile guys, at the count of three, smile -- 1, 2, 3...

# RADIO

## ROCKIN' HOWIE

### PERLMUTER

640 AM WCRH: the station that rocks the nation - the station that reaches our beach!

WCRH got off to a good start in the summer of 1986. Right away campers became interested in radio work. Different campers would do different jobs like announce the sports, weather, or news. Some campers even learned how to "CUE" a record and talk with enthusiasm. Others learned to do everything and have their own radio shows. The younger kids loved to hear their voices on the air "live". After they would hear themselves they would go around saying, "Did you hear me on the radio?"

Senior camp didn't seem to be as excited to hear their voices on the radio as junior camp was, but the senior camp enjoyed playing their favorite songs and sitting back in a chair and enjoying the power of running their own show on the radio. A favorite show among the camp was the Baumer and Doc Rock Show (Matt Baumoel and Steve Goulder). Another show that was popular because of its humor was the Sunday morning show with Josh Moskowitz, Jeremy Goldberg, Doug Spear, and myself.

I'd like to thank all the other DJ's for working on the radio in 1986 at Robin Hood. Thanks: Nicky Fishman, Corky Stern, Evan Kern, Adam Lippard, Jed Lippard, Pietro Gianni, Eric Jelin, Albert Cohen, David Perlmutter, Michael Feiner, Joey Fishman, Danny Kay, Josh Ralby, Abdul Al Mutawa, Doug Kahn, Brad St. Germain, Brad Kern, Brett Mason, Gary Greaves, Peter Obuchon.

The 1986 season marked the beginning of new era for the Sherwood Forest Hunt, Leisure, Sunbathing, Dancing, Mud Wrestling and Social Club. With over 55 riders participating, a fine equestrian season was had by all.

The PJs gave the program a great base with which to start. With 100% of the group participating, the basics of hunt seat equitation were well learned by Michael Brewer, Albert Cohen, Craig Hamburg, Eric Jelin, Evan Spielman and Sami Sultan, who headed group one, and by Jon Kauffman, Doug Lipsky, Jason Tuchman, Mike Weinberg, Fahed Al Mutawa and Robbie Talford, active in group 2.

The Squires were some of the most voracious riders in Junior Camp with fourteen of them active in the program. Two notable riders were a great help us, often coming down to the barn in the early morning to help with feeding. Jon Headley and Todd Friedman, the horses and I thank you both!

The Archers topped off Junior Camp this summer with Benjy Brockmann leading the way. Seven Archers either began riding or perfected their skills.

The Yeomen provided a solid power base for Senior Camp. In fact, half of our BIC riders are Yeomen. The talent in the group will provide excellent riders in future years.

The Lancers, while few in number, were enthusiastic riders. All made excellent progress, but Nick Coslov certainly deserved this year's Most Improved Rider Award.

The Friars were the most numerous riders on Senior Camp. With eight riders involved in the program, they were indeed proficient horsemen. Todd Cesca, Eric Boyriven and Sebastian Vernaton were often found at the barn helping out and their efforts are appreciated.

The Fo-Sax provided the top of our program. Of course, our Saxon aide, Nat Brockmann, was the finest rider in camp. He's a superb horseman as well as a fine instructor. He made the summer fun and deserves this year's BIC award.

Our horse show and rider's exchange with Camp Waukeela was a great success. Despite the overwhelming experience on the part of the girls, our riders did extremely well. The highlight of the day was Nat's second place in BIC.

Next we attended the Mt. Washington Valley Equine Classic. We saw the country's finest riders in action. Some of us even got to meet former Olympian Michael Matz. However, the highlight of the day was our coincidental meeting with the Waukeela girls!

Our second annual Tetrathalon was held under the auspices of Mike Edgson. The competition was keen and the results were as follows: 1 - The Hunchbacks, 2 - The Centaurs, 3 - Pelton's Peckers, 4 - Ralby's Runts, 5 - The Aryans, 6 - Goody and the Bad Boys, 7 - The Devils, 8 - The Stallions.

Our own camp horse show was held on the 19th. The results were as follows: **MAIDEN WALK, TROT:** 1 - Evan Spielman, 2 - Michael Brewer, 3 - Fahed Al Mutawa, 4 - Michael Weinberg, 5 - Sami Sultan, 6 - Craig Hamburg, 7 - Jason Tuchman; **LIMIT WALK, TROT:** 1 - Todd Friedman, 2 - Toure Conley, 3 - Jon Kauffman, 4 - Albert Cohen, 5 - Mike Shuster, 6 - Chris Lee, 7 - Aaron Adler and Eric Jelin; **OPEN, WALK, TROT:** 1 - Marc Oliver, 2 - Josh Pimentel, 3 - Keith Cyrus, 4 - Jim Castle, 5 - Jack Weiner, 6 - Craig Swerdloff, 7 - Andy Isaacson and Matt Cohen; **LIMIT WALK, TROT, CANTER:** 1 - Lou Changchien, 2 - Colin Barnhard, 3 - Gary Wayne, 4 - Matt Winitzer, 5 - David Gershenson, 6 - Corky Stern, 7 - Mike Leynor, 8 - Eric Doppelt; **LIMIT OVER FENCES:** 1 - Leroy Edmiston, 2 - Sebastian Vernaton, 3 - Andy Moskowitz, 4 - Evan Swirsky, 5 - Nick Coslov, 6 - Jeff Josephson, 7 - Ben Brockmann, 8 - Brett Mason; **BEST IN CAMP:** 1 - Josh Ralby, 2 - Eric Boyriven, 3 - Eric Pelton, 4 - Pierre Boatner, 5 - Craig Goodfriend. All of the riders did a fantastic job.

Finally I want to thank Helen for all her tireless efforts at the barn. It's not easy splitting time between the laundry and the stables. Mike and Martin and Nat made the summer a blast. Thanks, guys. Finally, the horses deserve all our thanks for their many hours of work. Until next year, guys, study hard, keep your heels down and your reins short.

# RIFLERY

## STEVE BARNDT

The summer of 1986 proved to be another outstanding season for riflery at Robin Hood. By the end of the camping season, 27,000 rounds had been fired and over 111 shooters had come down to the range. We had a very strong group of eager young beginners combined with older, more advanced shooters, giving us a very safe and successful year. By season's end, over 5,000 targets had been submitted for scoring and 58 campers and 8 staff earned their shooting awards, from Pro-Marksman (PM) through Expert Rifleman (ER). Among these 66 shooters, 188 levels of awards were earned.

The PJs came to riflery often and learned many new skills, producing some excellent abilities. Two earned awards; Michael Brewer and Michael Weinberg both earned PM. The high shooter of the group was Michael Weinberg with a 37 in (prone).

The Squires were the most enthusiastic group of young men in Junior Camp, with a strong interest in improving their skills and learning new techniques. Aaron Adler and Brian Fahey earned PM. Alexander Charity, Matt Cohen and Andy Isaacson earned PM and MM. Then came Chris Lee and Blake Swerdlhoff, followed by Todd Dery, earning MM and MMLst. Sam Goichman earned his MM through SS and Josh Guttman his MM through Bar 1. The following three boys earned the highest progression of awards: Marc Oliver - PM through Bar 2 with a high score of 47 in (prone) and 44 in (sitting) which, combined with his strong desire for learning and performing at a high skill level, earned him the Most Improved award in Junior Camp; Jimmy Castle and Lou Changchien, shooting like a team - MMLst through Bar 3, each shooting a high score of 45 in (prone) and a 43 and 45 in (sitting). With Jimmy's and Lou's desire to learn with patience and good sportsmanship, both young men were given the Best in Camp award in Junior Camp.

The Archers were also a very enthusiastic group with Benjy Brockmann and Jason Chuang earning PM, Keith Cyrus - MM, David Perlmutter - PM and MM, Nick Robinson - PM through MMLst, Joey Fishman - PM through SS, and Jack Weiner - MM through Bar 1. The most improved in the Archers were Michael Feiner, Stefan Friedman, David Gershenson and Jeff Josephson, all earning PM through Bar 1. Finally, Corky Stern shot the highest levels of awards, earning SS through Bar 3. The high shooter of the Archers was Michael Feiner with a 46 in (prone).

The Yeomen were also a very gifted group of young men with both newcomers and veteran shooters. Starting off were Greg Guttman, Josh Pimentel and Rick Talford earning PM, followed by Robert Shuster with MM and Colin Barnhard with MMLst. Then, starting a higher skill level, Jeremy Goldberg and Justin Weiss earned MMLst through Bar 1, and Brian Ratner earned Bar 1 through Bar 3. Josh Moskowitz, a beginner shooter, was the most improved for the Yeomen, earning PM through Bar 1. The most enthusiastic learner of the Yeomen was Noah Zamansky; with his internal drive, he started at Bar 1 and continued shooting through Bar 7 and started Bar 8. In addition, under a new Light Rifle program, he earned MM and SS levels in (prone and sitting). Noah's desire to learn new skills along with his patience and good sportsmanship earned him the Best in Camp award for Senior Camp.

Among the Lancers, 13 young men developed a high skill level. Chris Asher and Jamie Judelsohn earned PM, Nick Coslov and Noah Davis earned PM and MM, Nick Fishman earned MMLst through SS, and Evan Swirsky earned MM through Bar 1. The most enthusiastic learners of the Lancers, both newcomers and veterans, were: Brett Weinberg - Bar 2 and 3; David Korn - MM through Bar 4; and Mike Leynor - Bar 1 through Bar 5. Shooting as a team, Scott Elisofon and Danny Isaacson earned Bar 3 through Bar 7. The latter two

excelled in improving their skills. Michael Reiss earned PM through Bar 8 during the first four weeks of camp along with earning the NRA Basic Marksmanship Training Certificate in Rifle Shooting. The high shooters of the Lancers were: Scott Elisofon - 49 in (prone); Danny Isaacson and Michael Reiss with 47 in (sitting) and Scott Elisofon, Danny Isaacson and Michael Reiss with 44's in (kneeling). Scott Berendt, learning a new skill, earned awards from PM through Bar 5 with 5 targets for Bar 6. Scott earned the Most Improved award for Senior Camp.

Among the Friars, six young men developed strongly. Don Busiek, Chris Clemente and Gary Wayne earned PM. Brett Mason and Pete Obuchon earned PM and MM. Sebastian Vernaton produced some excellent shooting abilities, earning SS through Bar 3. He also was the high shooter for the Friars with a 49 in (prone) and 45 in (sitting).

For the Foresters, we also had two young men who developed strongly. Justin Swartz earned PM and Naif Al Mutawa earned Bar 2. Among the Saxons, four men came to the range. Of these boys, Nat Brockmann was the high shooter with a 45 in (prone).

The intercamp riflery teams this year were again composed of extremely fine shooters. For the first 13 and under Camp Robin Hood Rifle Match '86, Michael Reiss, Alex Lippard, Noah Zamansky, Jimmy Helf and Josh Ralby competed together, winning over Camp Birchmont 478 to 269, a team margin of victory by 209 points. The high shooter of the team was Michael Reiss with 88 out of 100.

For the first 12 and under match, Josh Ralby, Brian Ratner, Noah Zamansky, Michael Reiss, Brett Weinberg and Alex Lippard won over Camp Winaukee 433 to 201, a margin of victory of 232 points. High scorer of the team was Alex Lippard with 83 out of 100.

In the first 10 and under match Lou Changchien, Jimmy Castle, Josh Guttman, Ken LaFreniere, Todd Dery and Jack Weiner competed together, winning over Winaukee 290 to 180, a margin of 110 points. High scorer of the team was Josh Guttman with 74 out of 100.

For the second 12 and under match Brian Ratner, Alex Lippard, Noah Zamansky and Brett Weinberg were combined with 10 and under team members Lou Changchien, Jimmy Castle and Josh Guttman, winning over Camp Birchmont 523 to 182, a margin of victory of 341 points. The high shooters of the team were Alex Lippard, Senior Camp, with 88 out of 100 and Jimmy Castle, Junior Camp, with 74 out of 100.

The Camp Robin Hood Riflery teams compiled a victorious record of 4 straight wins!

For some new shooting awards this summer, I started the New Light Rifle Awards Program, where an individual must use a 7 1/2 pound or less rifle with no sling. The awards that could be earned were Marksman, Sharpshooter, Expert, and Distinguished Expert. Naif Al Mutawa, Stefan Friedman, David Gershenson, Alex Lippard and Brian Ratner earned MM with Noah Zamansky earning both MM and SS.

I would like to thank again all the campers and staff who, with their fine effort and enthusiasm, made my second year at the Sherwood Forest Rifle Range such a fine success. I'm looking forward to 1987, to developing the same fine sportsmanship and fun in earning rifle awards that started in 1985. My thanks to all.

## ROCKETRY

The hockey rink was a popular place this summer in more ways than one! It served as a launching site for a multitude of beautiful rockets built by craftsmen from the PJ's to the Lancers. On parents' visiting day we moved our launching site to the grandstand field for 15 very successful flights in which all our rockets were recovered - a first! We saw launches of the Honest John, a replica of a U.S. Army missile built by Chris Annear and the Comanche III -- a three stage model built by Benjy Brockmann. Several smaller rockets were also flown, including the Pulsar, built by Craig Hamburg, and the Astro Bee by Matt Cohen.

Remember: when Joey Fishman's rocket landed in the tree and Willie Miranda climbed up after it? - thanks, Willie! Benjy's first rocket doing somersaults ... Nick's beautiful paint job ... Jason spray-painting Pete's ties - sorry about that, Pete ... crash-landing of Comanche III ... when everyone cleaned up the launch area without being asked (I don't!) ... Memorable questions: (9:30 P.M.) "Can I paint my rocket now?" ... (7:15 A.M.) "Did the new rockets come in yet?" ... "Can I fly my rocket again?" -- "But, Matt, all the fins are broken off!" ... "Why do we have to pick up this mess, the wind will blow it away" ... "Can we aim this rocket at the stables?" ... "Will this blow up if I glue on the nose cone?" ... "What do I do next?" -- "Did you read the instructions?" -- "NO". Thanks are in order to Pete Hershafth who shared his bunk (and his ties) with us. All you rocketeers have a good year at school and we hope to see you next summer in the Robin Hood space program.

## STEVE LAWSON

# SAILING

PETER LOUKES

The Robin Hood Yachting Club has seen a busy season this year. Most campers paid a visit to the sailing shack and did a bit or a lot of sailing. Although the sun wasn't always out, I heard only a few complaints about too little wind. Some campers came down to sail for the first time in their lives, some improved their skills. Remember when everybody sailed into the swimming area at the beginning of camp? Well, it didn't happen again at the end of the season.

The TPJs reported for their first lessons only after the first five weeks had passed due to the 16 lengths of swimming they had to do first. I was most impressed with their achievements after just a few days of sailing. I would especially like to mention Albert Cohen, Eric Jelin, Michael Brewer and Evan Spielman in that respect.

The Squires had some good sailors, too, and Jon Headley, Aaron Adler and Blake Swerdloff were probably the best among them. I must thank all Squires for helping me to sail the Tallstars to the ramp on the last day of camp!

The Archers were probably the most notorious group of sailors on Lake Ossipee. The chief pirates that come to my mind were beyond all doubt Joey Fishman and Michael Feiner. An unfortunate collision ended their careers as fresh water brigands prematurely.

The Yeomen of '86 were undoubtedly the nicest to have down for sailing. Most of the Yeomen appeared to be experienced sailors or apt students. Jeremy Smerd, Howie Lesnik and Craig Goodfriend were the best. Seven of the best Yeomen sailors went on the sailing trip on August 18th, my birthday, to the main lake. Despite the somewhat low temperatures we had a great time, especially during some spectacular tows. Thank you, Yeomen of '86, for a wonderful time!

The Lancers were not particularly fanatical sailors, but more fanatical "tippers". They gave me a hard time trying to keep things within safety regulations. The best sailor amongst the Lancers was beyond all doubt Pietro Gianni, who could sail under all circumstances. Jon Jablow was the most surprising sailor. After a few instructions I was happy to see him cruising up and down the lake.

The Friars probably did the most sailing this season. They had the most "double periods" and always kept me busy. Notable sailors were Eric Boyriven, Gary Greaves, Anthony Brydon and Brett Mason.

Was there a Forester group this year?

Thinking of the Saxons of '86 as a sailing counselor, only one name comes to my mind - Chris Weisz. Besides his assistance in teaching and repairing, I also admire his talent for sailing both on the windsurfboard and in the boats. He deserved the award "Best Sailor" beyond all doubt.

The 1986 yachting season is over now and, looking back, I think it has been a great season for all of us. See you again some day on one of the seven seas.

# SCUBA DIVING

# GRAEME PRINGLE

On the 8th of July 1986, an 18 inch bass was seen swimming at high speed away from Camp Robin Hood with terror in its eyes. It had just spotted a human clad in a maroon wet suit - Matt Baumel, the first camper to break the ice of Lake Ossipee. From that day onward many marine creatures were seen leaving the shores of Camp Robin Hood as the SCUBA program got into full swing.

The Archers were the youngest group to gain progressions this year. Keith Cyrus, Danny Kay and Jason Chuang all passed their first level, but don't forget Benjy Brockmann who did so well he became the first Archer to use the SCUBA tank. Not all was hard work for the Archers - remember the diving competition? David Gershenson got 10 out of 10 for sheer determination and physical pain.

The Yeomen were the most dedicated group, most getting at least one chance to go down, with Colin Barnhard, Jeremy Smerd and Craig Swerdloff becoming proficient divers and Noah Zamansky receiving the Most Improved Camper award.

In Lancers the name to tangle with was Jamie Judelsohn. It was guaranteed that once the beginning of activity sounded he would be there every time. Remember when "someone" sat on Abdul underwater and turned off his air!

In the Friars the most notable names were Matt Baumel and Sebastian Vernaton. I must thank Matt for the work he did with me at the beginning of camp fixing moorings, which was very hard, but we still enjoyed ourselves, especially when that 18 inch black bass came for a closer look at us. Sebastien was amazing - the second I helped him on with his tank, he was off like a torpedo chasing everything in sight. Other names to mention would be Don Busiek, Eric Boyriven (What happened to him?), Gary Greaves and Brett Mason who all worked very hard.

Was there a Forester group this year?

The Saxons this year proved to have three extremely good SCUBA divers: Michele Gianni, Dan Tower and Chris Weisz. Each of them had individual qualities which could have qualified them all for best in camp but in the last few weeks Chris determined to gain the award and worked very hard perfecting the finer skills. Without a doubt he earned best in camp.

Due to transport difficulties the dive trip to Winnepesaukee had to be cancelled, but we did manage a trip to Huckins Island. After a few setbacks we loaded Craig Swerdloff, Colin Barnhard, Josh Lipsky, Noah Zamansky and all the equipment onto the raft. Then the ski boat towed us across the lake where we spent a great afternoon crawling about under the raft and around the island.

Remember when Craig Swerdloff shouted to the Sheriff to go away!!!

# SWIMMING

RON WEST

Rain, rain, go away,  
Come again another day...

Unfortunately, the admonition didn't work. The rain showered us all, but failed to dampen our spirits. Despite the weather, Robin Hood opened its waterfront for the 59th year and proceeded to have a safe and successful summer.

Safety was the top priority at all waterfront activities. To ensure the campers' safety, they were all checked on their strokes and required to swim sixteen laps. Once the tests were passed, the campers were permitted to don their life preservers and go boating and waterskiing. With the count-off system firmly re-established, all preventive measures were in place. The instruction could begin.

From PJ's to Yeomen, the campers were placed in Red Cross swim classes according to ability. While reviewing previously learned strokes, the campers were being taught the new skills. A great deal of time was spent on stroke instruction to ensure the development of the mechanics and the endurance necessary to swim a quality stroke. Other skills such as diving, treading water and personal safety were included in the course instruction.

Waterpolo was played with a great deal of energy and enthusiasm. Several games, involving both campers and staff, were played throughout the senior camp groups. Passing and dribbling and other offensive and defensive skills were stressed along with sportsmanship. The junior campers began to learn the fundamentals and managed to keep their heads above water.

Competitive clinics were a common occurrence at the waterfront. The clinics were designed to expose all campers to competitive swimming and to ensure their readiness for the Green and White and intercamp swim meets. Freestyle, breast stroke and backstroke starts were taught along with flip turns. Time was spent discussing strategy and rules. The latter proved to be very beneficial in that the campers swam smart races and did not disqualify. The clinics also aided in developing depth for the swim teams. Without this depth the teams would not have been as successful.

This summer the campers participated in a new program, the Waterfront Fitness Awards. The program was based on the obstacle course, run for the past five summers, and the Presidential Physical Fitness Award. Every camper from PJ through Friar participated. They were tested on the obstacle course, sit-ups, push-ups, a twenty-five yard sprint, a ten minute endurance swim and diving. The camper with the highest score in each group earned the award. All scores were taken into consideration in order to establish minimum passing standards. This will enable more than one camper to earn the award in each group in the future. The program had a positive beginning and should continue to prove successful in the future.

The following campers earned Red Cross certificates: Beginners -- Mike Brewer, Doug Lipsky, Mike Weinberg, Eric Gelin, Jon Kauffman, Mike Shuster, Rob Shuster. Advanced Beginners -- Evan Speilman, Corky Stern, Jack Weiner, Stefan Friedman, Nick Robinson, Benjie Brockmann, Fahad Sultan, Matt Cohen, Brian Fahey, Jon Leebow, Chris Lee. Intermediates -- Keith Cyrus, David Perlmutter, Todd Dery. Swimmers -- Marc Oliver, Sam Goichman, Ken Lafreniere, Mike Feiner. Basic Rescue -- Colin Barnhard, Jeremy Goldberg, Craig Goodfriend, Greg Guttman, Howie Lesnik, Alex Lippard, Josh Moskowitz, Josh Ralby, Brian Ratner, Craig Swerdloff, Rick Talford, Justin Weiss, Matt Winitzer, Noah Zamansky, Jeremy Smerd, Pierre Boatner. Advanced Lifesaving -- Jason Adler, Evan Kern.

The 1986 Swimming Awards: Greatest Progress -- Junior Camp - Sami Sultan; Senior Camp - Jon Jablow, Jamie Judelsohn (HM). Effort and Skill -- Junior Camp - Keith Cyrus, Joey Fishman; Senior Camp - Jason Adler, John Castle.

If the waterfront is to run successfully, the staff must do their job, and our staff was outstanding! A special thank you goes to PJ counselor Jenny Kellman and Saxon Andrew Moskowitz for their great assistance with the PJ's and the rest of Junior Camp. To Tim, Nigel and Cathy, you were the greatest! The summer would not have been as successful without your enthusiasm and hard work. Thank you! To the rest of camp, good luck and see you next year.

# TENNIS

## MARGARET FAUGHNAN

The summer of '86 started out pretty wet for the tennis program. When the weather did clear up, the players came out in full force and with lot of intensity. The veterans to the courts of Robin Hood came out as did the newcomers. Whether it was early morning before breakfast or at night after dinner, there was always activity on the courts. There was lot of competition throughout the entire summer among fellow campers for the ladder, play day matches against other camps and tournaments around the area.

David Joseph, Aaron Kaplan and Craig Shensa are still kings of the courts at Robin Hood but there were lot of players waiting to dethrone them. David, Aaron and Craig played well throughout the summer as evidenced by their performances at Mt. Cranmore. All three made it to the final day of the tournament with Aaron getting to the semi finals of the 14 and under singles play and David and Craig, teamed together for the 14 and under doubles, cruising all the way to the finals.

Every group was active in the tennis program. The PJ's did not visit as frequently but we certainly knew they were there when they did visit. Every PJ participated in the junior achievement awards program and each camper won achievement ribbons. Just as the PJ's participated in the Junior Achievement Awards Program so did the Squires with all those who participated receiving a ribbon. Todd Dery was atop the Squire ladder but there were many ready to try to make him step down.

The Archers had a very competitive ladder. Mike Feiner occupied the number one position and fended off any challenges made. Both the Archers and Yeomen had a lot of close matches before the shuffling of names stopped when summer ended. Brian Ratner stayed atop the Yeomen ladder but like the other Yeomen he had a lot of tough challenge matches.

In the Forester group it was really a toss-up for the number one position between Craig Shensa and Aaron Kaplan. It was not a matter of who was that much better for these two but just who was having a better day. Michele Gianni stood atop the Saxon ladder. Their ladder matches were not quite as intense.

Along with all the matches and tournaments there was also a very intense specialty week. All of the twenty-four participants worked hard even though the heat was just as intense as the play on the courts.

It was a good summer with alot of campers participating in tennis. I would like to thank all those campers who did participate and especially the Scottish Sensation, Arnot Hutcheson, for helping me with the program. I hope ya'll will continue to play tennis and show as much enthusiasm as was shown in the summer of '86.

# TRIPCRAFTS

# WATERSKIING

The summer of 1986 will probably go down in history as one of the wettest in camp history, but despite the gray and damp weather, the band of merry men made this summer a very successful one.

Having accomplished their 16 laps at the waterfront, the PJ's were able to join us in attempting a new sport. Jon Kauffman was the first to pop out of the water and ski around the bay and will soon be doing the same on one ski. Evan Spielman soon followed. Fahed Al Mutawa, Michael Brewer, Albert Cohen, Craig Hamburg, Eric Jelin, Doug Lipsky and Jason Tuchman showed great determination and with patience and practice will soon be up and around.

The Squires were no less enthusiastic and with last year's experience behind them Lou Changchien, Todd Dery, Sam Goichman, Josh Guttman, Andy Isaacson, Jon Leebow, Marc Oliver, Blake Swerdloff, Mike Shuster and Jimmy Castle all worked to improve techniques. Moving up on their progressions, Alexander Charity, Jon Headley and Jim Castle also made great strides.

The 1986 Archers were a determined group of Merry men, with Jack Weiner and David Gershenson the most determined (we did it!). Benjy Brockmann, Keith Cyrus, Michael Feiner, Joey Fishman, Josh Gottheimer, Jeff Josephson, Danny Kay, Ken LaFreniere, David Perlmutter and Corky Stern all showed great improvement in varying levels of waterskiing skills. "Benjy, eyes on the boat." "Does anyone remember Danny Kay's 'butt massage'?"

The 1986 Yeomen came to waterskiing as often as possible. Josh Rabby, Brian Ratner and Alex Lippard showed their skills by getting rid of two skis and going for one. Noah Zamansky went from one to none (barefoot), and not to be left out, Greg Guttman, Howie Lesnik, Josh Lipsky, Josh Moskowitz, Jeremy Smerd and Justin Weiss all showed great improvement.

The Lancers of 1986 were one of the most competitive groups in camp, striving hard to improve their skills. Nick Oslov, Noah Davis, Nick Fishman, Pietro Gianni, and Evan Swirsky showed great improvement in their slalom cuts, sprays and wake jumping. Matt Dery, Scott Elisofon, Ryan Hipscher, David Horowitz, Danny Isaacson, and Jamie Judlesohn showed excellent two ski skills - it's one ski for you guys in 1987.

The Friars of 1986 had some awesome skiers. With Matt Baumoele leading the way with his barefooting whenever possible, not far behind were last year's hotdoggers Eric Doppelt, Eric Levy and Gary Wayne. New to Robin Hood and waterskiing this year, but not wanting to be outdone, were Gary Greaves and Brett Mason, who went from two skis to jumping the wake slalom in one month. David Joseph, Don Busiek, Chris Clemente, Steve Goulder, Erik Pelton, Sebastien Vernation and Jed Lippard showed determination to improve their skills.

The 1986 Foresters could daily be found at waterskiing with great slalom skiing from Tony Rubino, Evan Kern and Aaron Kaplan. Showing their skills and improved confidence were Leroy Edmiston, Jason Leventon, Adam Lippard, Justin Swartz, Marlon Toon and Scott Zaldivar. Great job, guys!

The 1986 Saxon group was a small one with only two waterskiers. Michael Gianni and Christoph Weisz appeared daily on the scene with Michael working hard to perfect his slalom skiing and his deep water start. Christoph was the smoothest skier in camp, always working harder for a higher spray, better cut, smoother jump, and trying his best on trick skis.

1987 promises to be a brighter year, but don't forget 1986; though not very sunny, it was a great year! You all did a terrific job and showed great skills. And a special thanks to "Little Woody" for his great driving and instruction, and to Andy Solomon for jumping in whenever needed.
