THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

WINTER
2026

DEAR ROBIN HOOD FAMILY,

As I sit here in Chicago, looking out at snow-covered streets and bundled-up pedestrians, it's hard to imagine that we are already just 138 days away from opening the gates for our 99th consecutive summer at the Realm. Winter has a way of slowing everything down but somehow, camp time always seems to speed things right back up.

Even in the coldest months, Robin Hood never feels far away. The memories of last summer still linger, campfires looking out on lake ossipee, laughter echoing across the realm, and those quiet moments that remind us why this place means so much.

The off-season has been anything but quiet. I've been traveling across the country, meeting new families, reconnecting with current and former campers, and sharing stories that always seem to circle back to the same thing...how special Robin Hood is to all of us. Those conversations, those handshakes and hugs, are what carry me through the long winter days.

There's a lot to look forward to. Plans are coming together, schedules are taking shape, and yes there are a few surprises waiting for you when you return to the Realm this summer. Some things change, some things grow, but at the heart of it all remains the same spirit that has defined Robin Hood for nearly a century.

As we begin this countdown together, I hope these newsletters help bridge the distance between now and June 23. Until then, stay warm, stay kind, and remember to thank your parents for without them, none of us would get to call this place home.

My Best, *Woody*
