WINTER  
2025

THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

## DEAR ROBIN HOOD FAMILIES,

I cannot believe we are only 128 days away from opening day of our 98th consecutive summer at the Realm. It's starting to feel like summer is getting closer by the minute! We have had a busy off season with tons of expansion at camp. I have been traveling around the country recruiting new campers while visiting with current and former campers. This is what gets me through the long winter months.

The G&W break is almost finalized and the excursion dates are booked. A few new surprises await your return to the Realm this summer ...

Please stay in touch and remember to thank your parents for sending you to CRH.

My Best, *Woody*

## CRH STAFF UPDATES

**TAMER FISHMAN**  
ARCHERS GROUP LEADER

Hey everyone, I hope you're all doing well. I've been studying hard here at Wake Forest, mostly focusing on trying to get some experience working in psychology research labs here. Whenever the work gets difficult I enjoy thinking back to all the great memories we made last summer like our insane penalty shootout during the intercamp and our intense challenges against the Bows, Next Goal Wins!! I hope everyone is having a mindful winter.

**OLIVIA GINSBERG**  
QUILLS GROUP LEADER

Hi!! Since leaving camp last summer I've started my first year at the University of Michigan! It's been lots of fun and a major change from California with temperatures in the negatives recently (horrifying!!). Yet, I've still had a great time and have come to appreciate summer more than ever before so I CANNOT wait to get back to my favorite place everrrrr!!!! Looking back, my favorite memory from last summer was either Diana's Baths, my absolute favorite camp "hike", or watching the Quills learn to wake surf which turned out to be hilarious and inspiring. I'm so excited to be back this summer and see all my favorite people again and spend every single possible second I can in the lake!!!

**DEMETER BODY**  
HEAD OF BOATING

Hello everyone. My name is Demeter but in Camp everyone calls me Dom. I work at the waterfront with Andrea and I am the head of boats. Right now I'm back in Hungary studying finance and working as a Receptionist and as a Key Account Junior manager. I can't wait to be back in Camp and taking you all out for early morning skiing and Pontoon rides for EA. Greetings from over the pond.
