THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

**DEAR ROBIN HOOD FAMILY,**

March 15th always feels like a turning point for me.

Today marks **101 days until Opening Day**, and somehow, that number makes it all feel very real. The long winter starts to loosen its grip, the calendar flips just enough pages, and my mind begins drifting east back to our shared summer home.

Just this week, the administration team returned from four energizing days at the ACA Conference in New Jersey. Four days of conversations, learning, laughing, sharing meals, and trading ideas with camp professionals from all over the country. I always come home from those meetings with a notepad full of ideas and full of excitement. There's something reassuring about knowing that while our traditions have stayed rooted for coming up on 99 consecutive summers, there are always new ways to make the summer even better for all of you..

As I moved from session to session and wandered the hallways, my thoughts kept drifting back to the Realm. To morning lineups and magical sunsets. To the familiar bounce of basketballs, the squeak of sneakers on our outdoor courts echoing through the trees, laughter carrying across the lake from the senior waterfront, and those quiet, perfect moments when you realize without even thinking about it that you're exactly where you belong. Those thoughts are what carry me through the final stretch of winter every single year.

The off-season has been busy in all the right ways. Planning, dreaming, upgrading, refining, imagining. Every decision we make now has one goal in mind: creating a summer filled with joy, growth, friendship, and the kind of memories that last a lifetime. The kind you carry with you long after the buses pull away.

So here we are. 101 days out. Counting down together. Let the excitement build, let the anticipation grow, and maybe, just maybe, start picturing those first steps back on camp.

We'll be there before we know it.

Before I leave you please remember to thank your parents for giving you the incredible opportunity of spending your summers at camp, being at Robin Hood is a gift, not a given.

STAFF UPDATES

Honestly since camp ended I've been counting down the days I'm going to be back! Missing it so much. I've been on a few city trips, met up with some of the guys from camp, been to lots of concerts my most recent was Harry Styles so that was amazing. Can't wait to be back for the sunsets at the waterfront!!!

SAM WARREN TRIPS

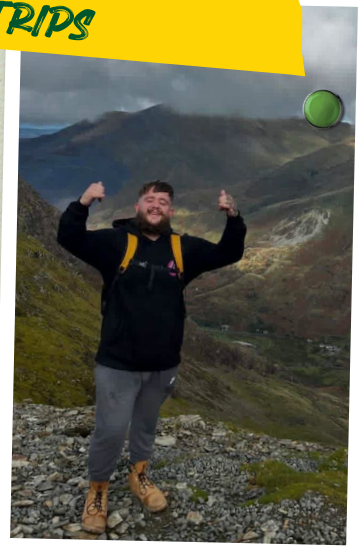

Since last summer at Camp Robin Hood I've been back home in England working as a butcher, which means plenty of early mornings and LOTS of heavy lifting. Outside of work I like getting out into the mountains for hikes whenever I can. I'm really looking forward to swapping work boots for hiking boots this summer, getting back out on trips around New Hampshire, and getting back to the magic in the trees with some familiar faces and lots of new campers!

Hi Robin Hood! I hope everyone has had a great school year and is getting ready to be back at camp soon! Since being back from the realm I've started my 2nd year at Trinity College Dublin. I have been able to explore more of the world while living in Europe. I've had the joy of visiting Portugal, England, and Spain over the last few months. My 2nd year of studying English and film has been such an interesting and enjoyable experience. I hope everyone has an amazing spring, and I can't wait to see you all back in Freedom!

CAL RODIN GROUP LEADER

Since Camp ended last August, I have had a great first semester at college! I started my freshman year at Columbia, where I am studying applied math and music. It's been super nice being back in the city for school, and I've loved meeting friends and learning and seeing new things. One of my favorite parts of my first semester is definitely the communities that I have found; whether it is weekly Shabbat at the Chabad or a dorm dinner, meeting people from different places has been super cool. I am super excited to return back to the realm and bring all these lessons I have learned on living alone to the campers!
