FALL 2026
THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Robin Hood Families,

Fall is certainly here at Camp Robin Hood! We have officially passed the peak of the leaves changing colors, and the temperatures are starting to drop. Before we know it, winter will be here. Camp is still as beautiful as ever, but I have to say, it is a lot quieter without all of you here!

The fields are empty, the bunks are quiet, and the dining hall certainly isn't the same without hundreds of campers and staff dancing and singing. It is always this time of year that reminds me just how much energy and excitement you all bring to the Realm. Camp just isn't quite the same without you.

But there is something I am really looking forward to, and that is our **New York Reunion!**

I cannot wait to see everyone again, catch up on what you have all been doing since the summer, and hear some of your favorite memories from 2026. I hope as many of you as possible can make it. It is always one of my favorite days of the year, and a great opportunity to get everyone back together.

I hope all of our campers are having a great school year, working hard, and keeping in touch with their camp friends. To our parents, I hope you are all doing well too! Thank you, as always, for being such an important part of the Robin Hood family and trusting us with your kids.

It is hard to believe how quickly time is flying by. It feels like just yesterday we were all together enjoying another incredible summer. While June may still seem a long way off, I can promise you that we are already hard at work getting ready for another great summer in 2027.

And don't forget to mark your calendars for our **100th Anniversary Alumni Reunion** the weekend of August 27, 2027! We cannot wait to welcome the Robin Hood family back to the Realm to celebrate 100 years of camp memories together.

Until then, stay warm, stay in touch, and I hope to see as many of you as possible in New York in 35 days!

My Best, Woody

STAFF UPDATES

Laura Cook
Lifeguard

After camp finished I flew straight to Bangkok where I met up with my friend and we spent a month backpacking around Thailand. I saw some incredible sights up and down the country including temples, floating markets, and gorgeous beaches.

One of my highlights was going to an elephant sanctuary where I learnt all about how they care for the rescued animals. I also enjoyed my authentic Thai cooking class where I learnt how to make a traditional Thai green curry. I'm hoping to continue my travels in Australia and see you all at camp again next summer!

Trips

After camp, I went travelling across the country, visiting New York, Washington, D.C., and Nashville. Then we flew to Fort Worth, where some other counsellors and I picked up an RV and visited a few national parks, including the Grand Canyon, Zion, and Yellowstone. After dropping off the RV in Denver, I headed to Orlando for a week and visited Universal Studios and Aquatica.

After arriving home on September 9, I signed up for a national 9-a-side football competition in London on September 30, which we won! I also received the Golden Glove Award for the tournament (and got my photo with all the awards, of course)!

Next up, I'll be graduating from university on November 6, picking up my BSc Coaching degree, and then heading to Manchester to meet up with some of the other counsellors from camp.

One of my favorite activities this fall has been my school's Peer Advisory Leadership Program. A select group of my fellow seniors and I meet with small groups of 9th-grade students to get to know them and help with their transition into high school. As a ninth grader, I found entering high school particularly daunting, so I am glad to play a small part in helping new students adjust.

Looking back at the summer, one of my favorite memories was teaching my campers how to throw a frisbee. As captain of my school's ultimate frisbee team, being able to share that passion with my campers and watch their throwing skills improve over the summer was particularly rewarding.
